

The Gazette

St. Albert & Sturgeon

Vol. 18 No. 3 -- Wednesday, January 19th, 1977.

St. Albertans face momentous decision

Residents of St. Albert will have the chance to take part in a momentous decision February 7th.

They will be able to vote on two annexation applications which, if approved, will bring another 46,000 people (even-

tually) to the City of St. Albert.

One application has been filed by BACM, for 1900 acres in the northwest sector for about 25,000 people.

The other application is from St. Albert Investments

Limited for land in the northeast sector totalling about 21,000 in 1700 acres.

One of the applications, that from BACM, will come up at a Local Authorities Board hearing in St. Albert February 8, and the LAB has up to 10 days to carry out the hearing.

Tonight (January 19) at 7 p.m. there is a public meeting to discuss the impact of the annexation in the northwest sector. It will be held in the Club Mocombo on the St. Albert Trail. BACM will represent the property owners who petitioned for annexation.

At 12 noon, St. Albert City Hall, February 8 there will be a summation of the results of the plebiscite.

"TREMENDOUS IMPLICATIONS OF VOTE"

Councillor Barry Breadner told council at its regular meeting last Monday night, Please Turn to Page 2

Kluthe heads ERPC

LAWRENCE KLUTHE

Lawrence Kluthe of Alcomdale was elected chairman of the Edmonton Regional Planning Commission for 1977 at its January 5th meeting.

A councillor on the Municipal District of Sturgeon, Mr. Kluthe replaces Alderman Ken Newman of Edmonton in the office.

Mr. Kluthe was vice chairman in 1976 and held the position of chairman of the Sub-Division Committee of E.R.P.C. as well. He has represented the MD Sturgeon on the Commission for the past three years. Please Turn to Page 2

Thronsdon takes pity on truck owners

Councillor Rod Thronsdon took the side of truck owners in St. Albert who have fallen under the weight of the City's nuisance bylaw at the regular meeting of City Council last Monday night.

Trucks which some residents have been able to park in driveways, almost it seems from time immemorial, are now infracting the city nuisance bylaw which has declared war on the trucks as they stay in residents driveways or back yards.

The trouble is, there doesn't seem to be any other place to park the 9,000 lb. or over vehicles once the bylaw has been complied with.

Coun. Thronsdon indicated the new bylaw was causing real hardships for some citizens and suggested there must be "something wrong with our bylaw."

"People are undergoing hardships ... yet we have that junk-pile at Jasper Auto Parts," said Coun. Thronsdon.

Mayor Plain pointed out his awareness of the problem, and told council that one applicant had taken

parking problem to the Development Appeal Board, where the appeal had been turned down.

This was so there would be no exceptions to the bylaw, to prevent "Pandora's box" from opening.

Mayor Plain suggested there were three ways residents could handle their

problems with the bylaw.

They could adhere to it, go to the Supreme Court of Alberta, or submit to council an amendment to the bylaw.

For example the weight of the permitted trucks could be increased to 19,000 lb. as opposed to the present 9,000 lb. limit.

Rec requests axed - Board fights back

It was like watching Arabs bargaining at a market place at the regular meeting of city council Monday night.

For just about one and a half hours St. Albert council had Recreation Board Chairman Lorne Wood on the mat, as he tried to get a maximum of \$28,100 for clubs and societies in St. Albert. Over \$10,000 had been axed by City Parks and Recreation from the original requests.

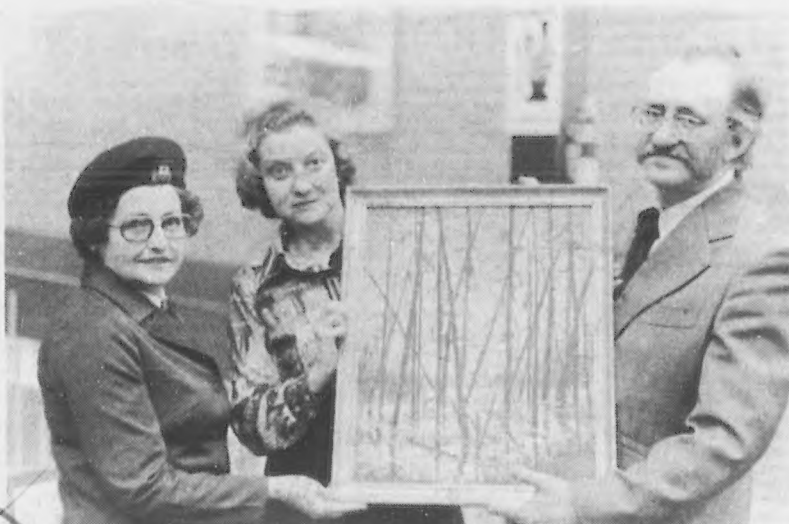

After going through the recreation grant requests from 13 St. Albert clubs, council finally decided to

move back from committee of the whole to full session to deal with two of the 13 items.

Council decided to let the St. Albert Comets Hockey Club have their \$1,000, which is really a shot in the arm after much of their equipment was lost, allegedly by theft, in the arena last summer.

And the St. Albert Peewee "BB" Hockey Club were handed their request for \$1,000, one of the few clubs which will get what they originally asked Parks and Please Turn to Page 2

MEMORY OF A TRAGEDY STILL LINGERS in the minds of some St. Albert residents. Last Wednesday night in the St. Albert Public Library, Marian Brostrom [centre], 34 Geneva Crescent, received a painting by Morinville artist Pauline Pike commemorating 18 year old Yvonne Brostrom, Mrs. Brostrom's daughter, who was killed in a tragic accident on the St. Albert Trail about two years ago. Yvonne had been a member of the local Girl Guides group. Girl Guide Division Commander for St. Albert Pat Corbett [left] and Librarian Peter Matchler [right] look on at the presentation. The picture will be hung in the St. Albert Library.

St. Albert Chamber looks set for busy year

The St. Albert and District Chamber of Commerce got off to a good start with their first meeting of the New Year January 12 in the St. Albert Inn.

Possibly a record 46 businessmen and guests attended the meeting which got through a fairly heavy agenda under the able chairmanship of new Chamber President Bill Tchir.

The meeting was highlighted by a special swearing in ceremony where Mayor Dick Plain "dubbed" Mr. Tchir as president and Gary Johnson as vice-president of the Chamber.

The meeting took on the familiar patterns that most St. Albert and District Chamber of Commerce meetings do. The Chamber rang the changes on familiar topics like membership, the upcoming Trade Fair, and Chamber involvement in business education in the schools.

The Trade Fair has been

set for May 6, 7 and 8 and a special committee is handling the finer points of this item.

Garry Hodgins, owner of St. Albert Tire told the Chamber he would like to see the Trade Fair regarded as a community affair; Roger Lemieux of LBH Home Improvements says he wants the price fixed at no higher than 50 cents a person. What was the point of asking people to pay more for what they could see everyday (in St. Albert shops) at no charge, was the drift of his argument.

"Even if we lose \$1,000 we are doing well ... the objective is to get families in to see the booths," Mr. Lemieux added.

It will likely cost businesses \$150 for 100 square feet of space at the Trade Fair, the same price as last year.

ST. ALBERT RESIDENTS SHOULD FIGHT CRIME

During the meeting, John Zits, for Dome Insurance drew Chamber members attention to a recent article in the Edmonton Journal "Sherwood Park residents declare war on crime." Please Turn to Page 2

District 3 rejects city's offer

Although referring to the city's offer of a shared access at their Akinsdale school site as "generous," District 3 School Board members voted Monday night to reject the city's offer.

The city had proposed that the entrance to the school site and the entrance to the planned city arena be shared, which would result in reduced costs to the board. Please Turn to Page 2

Hon. Helen Hunley officially opens Health Unit

The Honorable W. Helen Hunley, minister of Social Services and Community Health, officially opened the new headquarters of the Sturgeon Health Unit in St. Albert on Monday, January 17, 1977.

Also participating in the opening ceremony were Dr. Richard Plain, mayor of the City of St. Albert, Ernie Jamison, MLA for St. Albert, Mr. L. Kluthe, chairman of the Sturgeon Health Unit,

Dr. Jean Nelson, deputy minister of Health Services, Mr. Monsma, assistant director of Health Services, Dr. Hastings, director of Early Childhood Services, Edmonton, Dr. Greenhill, professor of Community Medicine, U of A, Dr. Collinson, dean of the Faculty of Dentistry, U of A, Dr. James Howell, previous medical officer in Sturgeon, presently medical officer in Edmonton, Dr. W. Cuts, first chairman of

Sturgeon Health Unit 25 years ago, Miss Mary McDonald, superintendent of nursing at the Health Unit, from 1952-1964, Mrs. Gwen Law, present superintendent of nursing at the Unit, and Dr. Sheila Durkin, present medical officer of health for the Sturgeon Health Unit.

The Sturgeon Health Unit was established 25 years ago and now serves a population of about 65,000 within a 6,800 square mile area. Branch offices are located in Swan Hills, Barrhead, Westlock and Redwater.

The traditional team for public health work in this area has been the physician, the public health nurse and the public health inspector. As new problems have been identified, new personnel Please Turn to Page 2

decision

Cont'd From page 1
"I think this is a very important vote."

He added that it had tremendous implications and hoped that the people of St. Albert would look at it carefully. He wanted them to "make a decision" and "turn out in good numbers."

Coun. Breadner regretted that it (the plebiscite) "had to be so quick" and was anxious to have the annexation vote receive full play in the media.

The next two Monday nights, when council usually sits, will be taken up with administration matters, and the fifth Monday is vacant. So February will come in hard with the annexation issue possibly having "died" through lack of prominence in the media.

The next two Monday nights, when council usually sits, will be taken up with administration matters, and

the fifth Monday is vacant. So February will come in hard with the annexation issue possibly having "died" through lack of prominence in the media.

Coun. Breadner pointed out to the Journal and the Gazette at the meeting last Monday night that the annexations, if they go ahead, will virtually help to quadruple St. Albert's present population; they will double the size of the present municipal boundaries.

Addressing himself to the annexations, Mayor Dick Plain pointed out the basic question that had to be put to the people was: "Are you in favour of annexation which will double the size of the community?" "Should we do it?" he added.

Mayor Plain also indicated he hopes to have information available for the public which will show the alternatives there are for "where the next half million will go in the Edmonton region." He said these matters would be brought up by the Edmonton Regional Planning Committee in the coming months.

VOTE EARLIER?

Councillor Margaret Smith asked if the vote could be held earlier; she was anxious about how council would get a position to state before the February 8th hearing.

Mayor Plain inferred "BACM will present its case - we don't know for how many days."

Health Unit

Cont'd From Page 1
have been enlisted for such services as preventive dentistry and speech therapy.

With the new, modern facilities in St. Albert, the Sturgeon Health Unit is better equipped to handle the many and varied community health services. Visitors to the open house following the official ceremonies got a first hand look at the operation of the Unit, by way of a guided tour.

District 3

Cont'd From Page 1

However, in assessing the plan, Dr. Bill Zielinski pointed out the inherent safety hazard that would result if school buses had to cross two lanes of traffic on Hebert Road to gain access to the school.

Secretary-Treasurer Ted Baldwin also indicated that the move would reduce the school's playground area. Because of these factors, the board voted against the proposal.

Chamber

Cont'd From Page 1

Seven thousand five hundred of Sherwood Park's 27,000 people have decided to form 750 groups from 10 to 12 each to act as "vigilantes" against what seems to be a crime wave in that community.

Mr. Zits feels that an anti-crime group working in St. Albert with the co-operation of the RCMP would be a good thing for St. Albert and has decided to chair the committee which would have to be set up for the town security project.

TELLING YOUTH ABOUT BUSINESS

St. Albert High teacher Brian Kupsch will chair the Chamber's committee on exposing St. Albert students to the realities of the business world.

The Chamber, under the auspices of the Alberta Chamber of Commerce, was involved in a business education program at St. Albert High last year where local businessmen told students the "ins and outs" of the business world.

Assistant Regional Director of the Alberta Chamber of Commerce Pat McKenna and Dennis A. Cambly of the Canadian Chamber of Commerce were at the meeting. They had copies of the book, "Education and Business Conference," the proceedings of the Alberta Chamber of Commerce meeting of the same name October 21-22 and 23 at Jasper last year. The book was distributed to some members of the local Chamber.

CHAMBER ANNUAL BANQUET

The Chamber's annual

banquet and dance will be held at the Club Mocombo January 22.

St. Albert's Citizen of the Year will be announced during the banquet which will also be highlighted by a speech from official Secord leader of the Opposition, Bob Clark.

MEMBERSHIP OF CHAMBER

Chamber member Ray Gibbon, Sun Life Assurance Company, says Chamber membership to date is more than equal "the membership we had three years ago."

The goal for membership is 150 and there'll be the usual drive in City businesses for more Chamber members in the next few weeks.

Kluthe

Cont'd From Page 1

1977 will see the completion of the Growth Studies, an ERPC project which has been three years in the making. Mr. Kluthe told the Gazette that restrictions in the regulations of the Provincial Planning Act were, he felt, discriminatory towards rural Albertans, particularly in regard to highways. He hoped that in his year as president something could be accomplished in this regard.

Questioned about other major decisions which ERPC will face in 1977, Mr. Kluthe pointed out that the Local Authorities Board relies on input from the ERPC members to assist them with their decisions on annexation submissions and applications.

In addition to the 27 voting members of ERPC all of whom are representatives from municipalities in and around Edmonton, there are six departments of the Provincial Government represented on the Commission.

Mr. Kluthe takes an active part in public affairs. In addition to his new position as ERPC chairman, he is president of the Alberta Health Unit Association, chairman of the Sturgeon Health Unit Board, a member of the Sturgeon General Hospital Board and a councillor and deputy reeve of the Municipal District of Sturgeon.

His duties as ERPC chairman will be to preside over the monthly meetings of the full commission and to serve as ex-officio member

on six committees of the commission: subdivision, regional resources, transportation, parks and recreation, metro committee and executive committee.

axed

Cont'd From Page 1
Recreation for.

The other requests have been referred to council's first budget session.

There was some concern expressed by Councillor Margaret Smith about clubs which were going out of province, thus adding to the expenses at the final accounting.

"Perhaps we should host tournaments here rather than out of province," Councillor Smith suggested.

Councillor Rod Thronson looked at it from another angle. He suggested that "we are getting off pretty cheap" after he had observed, "if we had to pay and fully organize the Boxing Club it would be a tremendous cost."

Mr. Wood pointed out that groups had been made aware of the grant program, "that's why requests are coming in ... it's a fair way to go about it."

The Recreation Board of which Mr. Woods is chairman is comprised of five members from the community, two members of city council and the city director of Parks and Recreation. It acts as an advisory body to the city and is established to provide input from residents on recreation matters.

At the December meeting of the Sturgeon General Hospital Auxiliary, Mr. Maurice Howlett was presented with a plaque by the 1st Vice President Mrs. Doreen Gare. This is in appreciation for supporting the Auxiliary in raising approximately \$900.00 by repairing, painting and selling bicycles.

Around Town

The Ronald Harvey Creative Playground community group will hold an open meeting on January 25 at 7:30 in the lunchroom at Ronald Harvey School. The group is planning to form a society to further their cause and it is hoped that all interested will attend. The group will be dividing into "task forces," with each one responsible for the construction of one of the large creative "toys."

The next two meetings of City Council will be closed to the public, as council deals with "administrative matters," so no news will be coming out of council to the media before February 8th. Public meetings on the BACM annexation to the northwest will be held on Wednesday, January 19th and Thursday, January 27th at the Club Mocombo, 7 p.m., both weeks.

St. Albert Billboard

SUNDAY, JANUARY 23 - St. Matthew's Annual Meeting - 7 p.m., in the Church.

TUESDAY, JANUARY 25 - The regular meeting of the Ladies W.I. will be held at Agnes Richardson's, 96 Mission Ave. Roll call - dues for 1977.

WEDNESDAY, JANUARY 26 - The Sturgeon Toastmistress Club will be holding its installation banquet, therefore, the regularly scheduled meeting at Paul Kane High School will be cancelled for that evening only. Any adult interested in attending this entertaining evening please call 459-4710 or 459-7026.

WEDNESDAY, JANUARY 26 - 7:30 p.m. Library Annex. Books for pre-schoolers. Speaker: Mr. M. Mutchler. Admission free. Sponsored by the Parents Program Committee, St. Albert School District No. 6.

SATURDAY, JANUARY 29 - 1-4 p.m. "Almost New" shop at the Senior Citizens Centre (north of the curling rink).

Horner replies to Safety Council on highway traffic problem

At the January 13th meeting the St. Albert Safety Council reviewed a letter from the Honourable H. M. Horner, Minister of Transportation, in reply to one concerning the traffic conditions at the entrance to the Newman Theological College.

In his letter Dr. Horner says his department expects to begin in the spring the upgrading of 156th Street, 170th Street and the improving of part of 137th Avenue followed by the widening of the highway itself between Edmonton and St. Albert. He says they are also planning other routes which will further assist with the distribution of the St. Albert area traffic but that these routes must be co-ordinated with the construction of arterial roads in Edmonton which will accept the traffic as it arrives in the city.

Dr. Horner goes on to say that they are currently reviewing the possibilities for improving the traffic flow at the intersections along the highway and will be implementing a 40 mile per hour speed limit between Edmonton and St. Albert in the near future. Other possibilities are under consideration and if they prove to be feasible these measures will be put into effect.

Posters Warn of Danger

Arising out of the minutes was a letter from the Alberta Safety Council, with poster, concerning the dangers of carbon monoxide. This gas is colourless and odourless and therefore very dangerous. The council has decided to obtain these posters to put in the different shopping areas as a reminder to people to check their car and heating systems for a possible leakage of this gas.

Under new business it was reported that the Block Parent film was shown to approximately 120 people at the last Newcomers' dinner meeting. There are only 220 Block Parents in St. Albert with half of those being in Grandin. It was felt that more advertisement was needed with ads to be run in the Gazette, child education in the schools and the film made available to any group or organization in the city.

AMBULANCE MEETING SUPPORTED

It was also reported that in approximately six weeks time the City will call a public meeting for discussion on a possible ambulance service for St. Albert. Betty Pimblett moved that the Safety Council send a letter to the Mayor supporting the meeting and a recommendation to be presented at the meeting by the council. This recommendation would be that a basic ambulance service would be set up with St. John's Ambulance trained personnel, to be upgraded as needed.

The meeting ended with discussion on bus services in

St. Albert. Buses are often late or do not come at all making for discomfort and inconvenience for the people waiting to use them. At this time of the year it is not only cold but for people with chronic chest conditions it can also be a health hazard to have to stand about breathing in the very cold air. The problem arises when buses do not run according to the schedules set out.

Anyone wishing to contact the Safety Council concerning its different projects can call the following people: Len Hobson 459-5829, Maureen Heuchert 458-1613, Marcella Talbot 459-4238.

JUST NEWLY INSTALLED, the Ladies Auxiliary to Branch 271 of the Royal Canadian Legion in St. Albert for 1977. Front row from left are: Muriel Hutton, second vice-president; Peggy Hanneman, first vice-president; June Kendel, installing officer; Shirley

Sorsdahl, president; Marie Eschak, past president; Joanne Cockwill, secretary and Polly Swenarchuk, treasurer. Back row, from left are: Carol Jones, Peggy Reeves, Thyra Schriber, Joan Horschuk, Sgt.-at-arms, Addie Webb and Willy Tinge.

Evelyn Barry passes at 60 years

The community of St. Albert was saddened by the death of a very fine lady, Mrs. Evelyn Barry of R.R. #1 St. Albert on January 1st, 1977 after a lengthy illness.

Evelyn was born July 12, 1916 in Cairns, Alberta, west of Provost, the first of nine children. On August 12, 1941, she married Dave Barry, with whom she shared her life for over 35 years, farming in the district of St. Albert and raising a family of four children. She was a baptized and confirmed member of St. Albert Lutheran Church. She passed on at the Sturgeon General Hospital, due to heart failure. She will be deeply missed by her family and

EVELYN BARRY

friends.

Evelyn is survived by her husband Dave of St. Albert, her father John Kvigstad of Provost, Alberta, one son Wayne Barry of St. Albert, three daughters Mrs. R.

[Edith] Adam of Vancouver, B.C., Mrs. L. [Ruth] Fleck of Calgary, Mrs. G. [Arla] McDonell of St. Albert, nine grandchildren Scott, David and Christine Adam of Vancouver, Carmen and Gregory Fleck of Calgary, Grant and Sonya McDonell of St. Albert, Amy and Matthew Barry of St. Albert, one brother Clarence Kvigstad of Provost, seven sisters, Mrs. Anna Reitan of Coronation, Mrs. Alice Christon, of Three Hills, Irene Kvigstad of Port-au-Prince, Haiti, Mrs. Ester Mallard of Wetaskiwin, Mrs. Velma Bryant of Calgary, Mrs. Cora Ouellette of Calgary, Mrs. Grace Baker of Calgary and many other relatives and friends who join the family in mourning the loss of a dear one and in remembering her with admiration and gratitude.

The funeral service was held on January 4, 1977 at 1:30 p.m. at Howard and McBride Funeral Chapel in Edmonton with Pastor Ray Christenson officiating. Favorite hymns were sung by

everyone and Mr. Jack Harston sang "How Great Thou Art."

Pallbearers were her nephews: Richard Bryant and Kenneth Baker of Calgary, Laurende Barry and Arthur Barry of Edmonton, Paul Christon of Three Hills, Philip Rietan of Coronation, and Ronald Mallard of Wet-

askiwin. Honorary pallbearers were from the St. Albert Community, Peter Iseke, Robert Iseke, Anthony Iseke, Ben Kluthe, Frank Cater, and Harold Cassidy.

Interment was in the Holy Cross Cemetery. Following the service lunch was served at the St. Albert Evangelical Lutheran Church.

Hospital praised

Sturgeon General Hospital received an accolade in a radio January 8th editorial by Art Kennard of CFRN. The editorial dealt with a report out of New York which rated nursing care in the U.S. and Canada at a low B grade, adding that the survey indicated the smaller the hospital, the less the nurses thought of care.

On a personal note Mr. Kennard said he had "the very good fortune to be a

patient in the Sturgeon General in St. Albert, a small hospital, and I can say with complete conviction that if one has to be in hospital, Sturgeon's the place to be.

Mr. Kennard said he hadn't the slightest hesitation in commending "a truly dedicated and skillful staff which habitually does the little extra things," and he had warm praise for the doctors as well as the nurses in Sturgeon General.

St. Albert Council Briefs

Following are some of the highlights from the regular meeting at St. Albert council last Monday night. Mayor Dick Plain was in the chair with all councillors present.

RIGHT AT the end of the council meeting, coming up to 11:30 p.m., Councillor Rod Thronson talked of an article in a recent Edmonton Journal which suggested that the senior citizens home for St. Albert was "going down the tube."

Mayor Plain explained that some difficulty had arisen between an official design set forth by the management board and another award winning design for the facility.

Apparently plans for the facility have also run into difficulties with the Alberta Housing Corporation, according to the Mayor.

Councillor Margaret Smith referred to the hassle as "a little frustrating for members of the management board."

Mayor Plain agreed saying, "staff have reached the end of their patience."

"WE'RE LOOKING FOR very normal citizens who can say I'm baffled or I don't like it," said Councillor Barry Breadner just before council gave approval for a Citizens Advisory Committee, for input into work on the General Plan at Municipal Planning Commission level.

The idea seemed to go down well with council. Councillor Gary Wetsch referred to the new advisory board as a "sounding board"

and Mayor Plain saw it as useful for "reactions, comments and suggestions" regarding the General Plan.

So it looks as if adverts will be placed in the local press for a small group to be seconded to the MPC. As Mayor Plain put it, such a group would help "our over-familiarity with the material for the life of the project." The main bulk of the work to be done by the board would be done in February and March.

THE NEW CITY of St. Albert was presented with a plaque from the City of Yellowknife, NWT, congratulating it on city status. Councillor Margaret Smith said that city had a recreation complex twice the size of the one St. Albertans turned down in a plebiscite last year. Coun. Smith was referring to a visit to Yellowknife last year. Yellowknife has a population approaching the 10,000 mark.

FOLLOWING CRITICISM by Councillor Myrna Fyfe on the \$6500 St. Albert Transit study, City Administrator Bob Byron said it did not threaten existing arrangements (between St. Albert and Edmonton). Rather it had been aimed at providing the best service to the citizens of St. Albert, Mr. Byron pointed out.

Coun. Fyfe was interested in hearing more on aspects of the report as she had missed the meeting where the report had been outlined by LG Grimble and Associates. Mr.

Byron talked of maintaining "the growing liaison between the Edmonton Transit System and the St. Albert Engineering Department."

COUNCIL GAVE third reading to bylaws 6-77 and 7-77 which establish a Community Services Advisory Board and a Library Board. A new bylaw is to be drafted to set out more clearly the functions of the Library Board. The new Community Services Advisory Board would have the functions of

the Parks and Recreation Board, the Social Services Board and would also liaise with the police force. The board would also have a cultural input capacity.

ALL THE RECOMMENDATIONS made at the Committee of the Whole meeting January 10 were carried by council.

AMONG THESE was that Mayor Dick Plain should be authorized to take a trip to Ottawa on deficiencies in the

mail service in St. Albert.

He would represent council in discussions with the Federal Government. Other recommendations carried on the postal issue were that the post office remain open on weekdays till 7 p.m. That is, until group boxes or door to door delivery was made available to each city household. Group boxes seem to be in short supply, and Canada Post will be asked to supply more, according to another recommendation carried.

COUNCIL ACCEPTED IN

PRINCIPLE the St. Albert Transit System Review Study. This was carried 5-2 with Councillors Rod Thronson and Myrna Fyfe opposed.

COUNCIL APPROVED spending \$600 for a fireworks display during the upcoming winter carnival.

COUNCIL APPROVED St. Albert's membership for this year in the St. Albert and District Chamber of Commerce.

CITY MEMBERSHIP for 1977 in the Alberta Urban Municipalities Association was approved for the princely sum of \$1,397.

RCMP report on school break-in

At approximately 12 noon on Wednesday, January 12, 1977, Brian Rowse, 16 years, of 102 Glenwood Crescent, was struck by a 1/2 ton truck on Cunningham Road at Sunset Boulevard. Rowse had been walking along Cunningham Road when he was struck by the truck proceeding southbound on Cunningham Road. The truck was driven by Lucien J. Brunelle, 17 years, of R.R. 1, St. Albert. Rowse was injured and taken to the Sturgeon General Hospital for medical treatment for minor bruises and cuts. The matter is still under investigation by the RCMP of St. Albert.

At 7:30 a.m. on Friday, January 14, 1977, the St. Albert High School was reported to have been broken into during the night. Entry was gained through a base-

ment door to the school and the persons responsible entered the student's lounge and broke into the vending machines, removing money from same. The culprits obtained a quantity of change from the coin operated vending machines, and approximately \$500.00 is missing from the vending machines and bill changer. There was considerable damage done to the vending machines and bill exchanger, cupboards and desks. This break-in is being investiga-

ted by the RCMP Police at St. Albert, but to date no arrests have been made.

Residents of St. Albert are cautioned regarding soliciting by door to door salespersons. The majority of this type of sales-person requires a Provincial licence and a City of St. Albert licence to canvass within the City. If anyone is in doubt as to the authenticity of the salesperson, you might contact the Better Business Bureau or the local RCMP Police.

St. Albert Lions will host convention

Had St. Albert been bigger, (even though it is officially a city), it might have had a chance to host the Lions International Convention at the Edmonton Inn, January 27 and 28.

However the St. Albert Lions Club will be hosting the two day event, which will likely bring 1,000 Lions to the Edmonton Inn from Montana, Alberta, the Peace River Block of British Columbia and the southern part of the North West Territories.

The convention at the Edmonton Inn falls under the category of a multiple district

meeting (District 37), hosted by St. Albert's Lions, who fall under the tag of District 37-B.

Lions International is the largest service club organization in the world with about one million members spread throughout 149 countries.

The meeting is expected to discuss how to promote world-wide and community service projects.

Air Cadets taking enrollments

The St. Albert Royal Canadian (Air) C. Squadron, #533 is still enrolling cadets, both male and female, between the ages of 13 and 19 years.

In addition to training in citizenship, self discipline and community service, the Squadron, which has a long history of excellent achievement, offers many career building opportunities which include squadron training, air experience, leadership training and pilot training. Search and Rescue and Technical training programs are also part of the cadet's experience.

In addition there are

summer camps, summer employment and athletic leadership training opportunities for air cadets.

There is no cost whatever and the squadron provides uniforms and scholarship programs. There are no fees for summer camps, flying, outdoor activities, band training or sports.

Enquiries about the St. Albert Air Cadet Squadron may be directed to Captain F. Maybee at 459-8127, and interested young people are also invited to drop in to the squadron headquarters in the St. Albert Community Hall any Thursday evening between 7 and 9 p.m.

NEW EXECUTIVE FOR Men of Branch 271 of the Royal Canadian Legion, St. Albert for 1977 are: Front row, from left, Sgt.-at-arms Norman Peel, Ross Hutton, second vice-president; Ron Bull, first vice-president; Joe Foster, installing officer; Vern Tompkins, president; Reg Bremner, past president; Wally

Swenarchuk, treasurer and Stan Winter, secretary. Back row from left are: Ernie Massick, John Patterson, Len Jones, John Reeves, Brian O'Kell, Bill Eschak, Bill Edwards, Bill Tinge, Chaplain Rev. Len Musto, Robert Marshall and Service Officer Rudy Schriber.

Hospital fully accredited again

The Sturgeon General Hospital has just received notification of its continued full accreditation by the Canadian Council on Hospital Accreditation, for another two year period.

Accreditation by the Canadian Council on Hospital Accreditation is the highest honour that a Canadian hospital can receive. Such status indicates approval for

all phases of hospital operation with primary emphasis on quality of patient care by hospital personnel and physicians who hold privileges at the hospital.

The general philosophy of hospital accreditation as outlined in the Guide to Hospital Accreditation published by the C.C.H.A. includes the statement "While the certificate of accreditation is a matter of satisfaction and fulfillment, its first importance is evidence and assurance to the community of successful efforts to offer a high quality of service and an optimum quality of care. It demonstrates that the whole hospital staff has accepted outside appraisal and has substantially met or exceeded standards which have national and international approval. It can be displayed with pride of achievement."

Standards for hospital accreditation are established by the Canadian Hospital Association, The Canadian Medical Association, The Royal College of Physicians and Surgeons of Canada, L'Association des Medecins de Langue Francaise du Canada, and the Canadian Nurses Association, which comprise the Canadian Council on Hospital Accreditation.

Around Town

The St. Albert and District Chamber of Commerce has announced that plans are going ahead for Trade Fair '77, to be held May 6, 7, 8 in the St. Albert Arena. Businessmen have been advised to include Trade Fair '77 in their 1977 budgets if they are interested in taking part. Roger Lemieux is the chairman.

Miss Jodie Thompson, daughter of Mr. and Mrs. Clint Thompson, of St. Albert, just returned from Hawaii with her very good friend Kelly York and family, where they spent an enjoyable month during the holiday season.

CREATE COMMUNITY JOBS NOW. GET YOUR APPLICATION IN BY FEBRUARY 4TH.

Canada Works
Young Canada Works

The restoration of historical buildings, the construction of a fire hall, the replacement of an outdated water system. If you stop and think about it there are probably many good projects that could create jobs and be of great benefit to your community.

This year, a new job creation program called Canada Works will help fight unemployment by providing funds to groups and organizations including private businesses, for worthwhile community projects.

If you have a project that can provide a minimum of five jobs for unemployed people in your area, submit your application to Canada Works.

But do it now. The deadline for applications is February 4th.

Right now, your Canada Manpower Centre has application forms and a Canada Works "Guide to Applicants" that describes the program and how to apply.

Visit your Canada Manpower Centre today. Canada Works: Make it work in your community.

This summer Young Canada Works will help reduce student unemployment by creating jobs in your community. The students will work on projects of community benefit that will enable them to test their career aspirations.

Any established organization can submit an application to Young Canada Works.

Your proposal should provide a minimum of three student jobs for six consecutive weeks. Projects can operate for up to 14 weeks between May and September. Your local CMC has a Young Canada Works "Guide" and application form.

Submit your application now. The deadline for Young Canada Works is February 4th.

Young Canada Works for students in your community.

IT'S GOING TO WORK FOR YOUR COMMUNITY.

MLA Column

I am deeply disappointed in the delays which have plagued the construction of a Senior Citizens Lodge in St. Albert. Following a delay in getting a municipal application in for the lodge, there was difficulty deciding on a site acceptable to the Alberta Housing Corporation, and there were problems sorting out a governing body. In August last year council signed an agreement in this regard with the Sturgeon Foundation.

The architectural design by Peter Hemmingway was disqualified by Alberta Housing last September, and since then the site at the corner of Mission and Perron was declared unsuitable. That site had been sold by the town for \$1.00. I understand Alberta Housing is presently looking at alternate sites.

On the matter of the Mission Avenue site not qualifying, I must say that I personally never did think this was an appropriate site. In my opinion it was too small, and in addition the location at the intersection of two busy thoroughfares would have been bothersome to residents as to noise and enjoyment of the outdoor area. Mission Avenue, a collector road has caused problems to present residents, and Perron, a main arterial road, is also a busy thoroughfare.

The very deep pilings required to support the foundation would add an estimated \$70,000 to the normal cost of construction, which I could not agree was good business. The money might better go towards a quieter, more peaceful site. Insofar as a site therefore, the delay may prove to have been beneficial, and surely a better site will soon be found.

On the matter of the design, the lodge proposed was a two-storey building, which I believe is impractical for accommodating older people.

It is now my hope that a meeting can be arranged between the Alberta Housing people and the St. Albert Seniors before the lodge plan is finalized.

The St. Albert lodge is scheduled for completion late this year or sometime in 1978, and clearly the members of city council, the government department people concerned and myself will all be working to facilitate the building with all possible speed from here on in.

Elsewhere in the constituency the lodge at Gibbons is progressing favourably, and Morinville has plans underway for a lodge for the seniors.

Looking Through The Files
FIVE YEARS AGO
(January 19, 1972)

The Citizen of the Year for 1972 was Father Ubald Duchesneau, who was honoured on Saturday, January 8th at the annual banquet and dance at the St. Albert Community Hall. Mr. Leon Tellier, introducing the 1972 Citizen of the Year, said that he had first known him as a teacher at St. Jean's College where father was also active in the hockey program. He spoke of his gift of getting along with all sorts of people and of his "dynamic and charismatic personality," which causes people to believe in him and follow him.

About 15 St. Albert residents interested in starting a Montessori School for pre-schoolers here met at this time in 1972 and formed an interim committee to pursue all possibilities. Serving on this interim committee were: Carolyn Smerdon, Edith Duckering, Evelyn Beeby, Denise Selann, Maureen Gilbert and Kathleen Stewart.

Remember the good old days, back in 1972 when a three bedroom duplex, with stove, carpets, near school, pool and bus stop, rented for \$190 monthly? Bet you can't find a bargain like that nowadays!

Terry Durand was one of three Alberta winners in the Ski-doo sponsored contest, thereby winning for his family and for the family of dealer Ron Perrott, an all expense paid holiday weekend at the Overlander Lodge this side of Jasper. The families enjoyed their trip January 7 to 9, 1972.

Another price which is most uncommon today is the '85¢ per pound' marked on the boneless pork loin roasts advertised in the January 19th, 1972 issue of The Gazette. Five years ago spareribs were only 69¢ per lb., lamb chops were 69¢ per lb., and two dozen Grade A large eggs were a mere \$1.09.

Around Town

Ernie and Shirley Jamison left Wednesday for Winnipeg for a visit with Shirley's parents. Her mother is not very well. They will be back on January 26th.

6 - ST. ALBERT & STURGEON GAZETTE, WEDNESDAY, JANUARY 19, 1977.

to the Editor

Concerned about criticism

In response to the Gazette Reflects of January 12, I would like to clarify that the St. Albert Council has not at any time encouraged the development of the Woodlands property. In addition, the previous council **OPPOSED** this annexation to St. Albert. It was the Provincial body - the Local Authorities Board - that granted the annexation despite the objections of the municipality.

It is the provincial government, which is encouraging the development of our natural resources by which we all benefit economically; but in addition has the reverse affect of attracting people to this province who in turn require homes.

One of St. Albert's greatest problems has and will continue to be the threat of being annexed to the City of Edmonton by a proposal that has been before the Provincial Cabinet for some time. St. Albert cannot hope to exist as an independent municipality by building a 'stone wall' or by not taking some share of responsibility of the development occurring in this province. Those that think otherwise are not or will not face the hard facts confronting this city.

I am deeply concerned with the continual condemnation of the local government in St. Albert, not just this term but of councils past. Persons elected to

council are entrusted with the responsibility for establishing policy of the municipal corporation. The members of council are residents, concerned about the community and the quality of that community.

I realize that every council decision will not please all residents of the community, just as all members of council will not agree on each issue. I contend we should all protect our system of local government, a system that encompasses the right to criticize policy, but to suggest that council is encouraging rapid development of surrounding lands is simply untrue. To condemn the elected representatives of St.

Albert by untruths and half truths is an insult to the people of St. Albert.

Myrna Fyfe,
Councillor,
City of St. Albert.

EDITOR'S NOTE:

With regard to paragraph 1, the Gazette Editorial of January 12th merely pointed out that citizens, when considering the impact of the B.A.C.M. and St. Albert Investments annexation proposals, should "bear in mind also" that the Woodlands subdivision will develop a further 130 acres. The editorial made no reference to any support or non support of the Woodlands annexation.

Juniors deserve support

The biggest sporting headline to date in 1977 so far has been the recent purchase by the Edmonton Oilier Hockey Club of seven new players. If these players all report it will no doubt boost attendance at the Coliseum considerably.

A good proportion of the new fans would, in all likelihood, reside in St. Albert which makes me pose a question. If people are so interested in hockey why don't they support the teams in their own City.

In particular I refer to the

St. Albert Junior B hockey team, the Standard Generals. This team gives more value for money in action, effort, excitement and hard clean hockey than any professional team, and besides this, most of the young men in this team hail from our own City.

Why then don't the citizens of this City support the team which plays before bigger crowds away from home than it does in St. Albert. Or does anybody really care. I wonder.

John Grave.

Local photographer gets the bird

I was most intrigued on reading last week's 'Gazette' to find that what could well have been one of the most important news items this newspaper has yet stumbled upon had been hidden away on one of the back pages.

What was obviously an important U.F.O. sighting was passed off as, "Unusual bird event in St. Albert." (Ref. Photo P. 17). Granted there are some most unusual happenings in St. Albert, but surely this sighting rated far greater clarification.

I realize official policy is to squash rumours of U.F.O. sightings, but to insult your readers, not to mention nature lovers and bird fanciers, myself included, by calling this, most unidentified of unidentified flying objects by the name of

"rough legged hawk" is insult enough, without leading your readers to believe that this strange creature "had spent the day hunting for mice in local fields." Most readers are well aware that the nearest local field is now Clarke Stadium.

Who knows? Maybe it wasn't a U.F.O. at all, merely our good Mayor on another flight of fancy, looking for more land to annex.

Dave Kenny,
Ridgewood Society for the appreciation of rough legged Hawks and Vultures.

Darn it! The Gazette had its telephoto lens out on a real U.F.O. job that day, and the hawks got short shrift in the tall trees.

Politicians to 'roast' Horner in Edmonton

One of Canada's most colourful politicians will be feted in Edmonton as political pundits from across the country gather to "roast" Jack Horner (PC) MP for the federal constituency of Crowfoot.

The Edmonton Inn will be the scene of the gathering on February 10, and a gourmet meal complete with wine and refreshments is planned.

The highlight of the evening, of course, is the "roast" itself, and it promises to be a sizzling one with top "roasters" as Don Getty, Judy LaMarsh, Bryce MacKasey, Pat Knowlan, Jeff Scott, Rod Sykes and Larry Zolf.

Anyone wishing to attend the function can contact Ernie Jamison, at 459-3852 or at 458-2240.

OTTAWA and Small Business

Curing the consumer binge

By KENNETH McDONALD

Governments, like people, learn as they grow older. During the last eight years, the present one has learned a number of things the hard way - for us.

In 1969 it recognized the dangers of inflation. It then applied corrective measures, by holding wage gains to productivity increases, by trimming the money supply to the rate of real production, and by putting a lid on civil service growth.

The measures were right, for the long term. In the short run, however, they caused unemployment. The government was severely criticized by Opposition members and by the press. It retreated. The pressure was relaxed. The money tap was turned on again.

Deficit spending - living on borrowed money - created an artificial feeling of affluence. Everyone wanted more. The country went on a consumption binge.

But the country was consuming more than it produced. Imports ballooned. So did trade deficits. So did borrowing abroad to cover them. Canada's costs moved out of line. Exports suffered.

The period was characterized by the process known as "fine tuning" - short term changes in fiscal policy (tax adjustments, "incentive" programs, etc.) and in monetary policy (speeding up or slowing down the supply of money in circulation).

The paradox is that fine tuning, which is a prime example of central government "planning", destroys business confidence, because businessmen and investors don't know what to expect from one year to the next.

In its response to the debate on future public policies, the Canadian Federation of Independent Business has recommended a dual approach: sound, long-term, fiscal and monetary policy to control inflation; and a flexible small firms policy to create the necessary employment and regional development.

The hardest task the government faces is the short-term political problem of returning to fiscal and monetary responsibility, which is fundamental to long-term recovery. It will be accused again of heartlessness, of throwing people out of work, of cutting back on "essential" programs.

But that's the point. Many programs are not essential. They were spawned during the national binge and Canadians can't afford them any more. Already, with excessive social spending and too many imports, we're a long way down the British road. We must produce more of what we consume and export more goods and services to pay for imports.

It's not easy, as the British have discovered, but there's no other way.

What Caught Our Eye

By Gazette Staff Writers

MUGGERS MUGGED From the Sunday Express

The three muggers who tackled 48 year old mother-of-four, Mrs. Sylvia Lewis, got more than they bargained for. The three pounced on Mrs. Lewis as she walked from her home to her local women's club with 92 pounds for the annual outing.

When they saw that Mrs. Lewis was not going to loosen her grip on her purse they threatened to cut her throat. But 180 lb. Mrs. Lewis squared up to the ringleader and delivered a full-blooded kick, swift and high, between the legs. He fell to the ground in agony and as his fellow muggers stooped to aid him Mrs. Lewis made off.

As police hunted for the three youths Mrs. Lewis said at her home in Methyr Tydfil, Mid-Glamorgan, Wales: "My advice is if you're mugged have a go. I think they really would have cut my throat if I hadn't kicked one of them."

QUAKES CLAIM GRIM TOLL ... Reuter

Earthquakes have claimed more than 35,000 lives so far this year, making 1976 the deadliest for quakes in at least six years, the U.S. Geological Survey said Saturday.

The 1976 death toll, which includes at least 3,500 reported killed in Wednesday's earthquake in Turkey, might go much higher when reports of deaths from "significant" quakes in China, the Soviet Union and New Guinea are confirmed.

In 1970 more than 67,000 people were killed in earthquakes in Peru and Turkey, the Geological Survey said.

If the China quakes (July 27-28) alone resulted in more than 100,000 deaths, then 1976 would be the worst year for quakes since 1923.

CHAINED TO A TREE AND LEFT TO STARVE

When 21 year old Donald Sumner left home in Tampa, Florida, two years ago he told his mother: "I'll be back in two or three days." He never returned. A short time ago his remains, just bones, were found beneath a pine tree in a remote forest on the shores of the Gulf of Mexico. Sumner was identified by a fragment of jaw-bone which was compared to dental records. The bones were found by two hunters while stalking wild boar. And now police have reconstructed the agonizing death of Mr. Sumner, and say: "He was left there to die." For near the bones was a 15 ft. length of chain attached to a metal collar just large enough to fit a man's neck.

Lieutenant Daniel Caton, who is in charge of the investigation, said: "We are treating this as a case of murder. For we reckon he was chained to the tree and died of starvation within two weeks." But who would want to kill Sumner in such a grotesque manner? "It seems," said Lieutenant Caton "that it was done by some religious zealots with whom he got involved. He told a friend that he was going into the woods with his new friends so that he could get closer to God."

NO CLUES

"But he didn't give any clues as to which group it was. We reckon they chained him up. But why? And why did they leave him to starve slowly to death? We can't even guess at this moment.

"But one thing is sure ... he did not chain himself up. The chain was fastened to the collar in such a way that that would have been impossible. He did not, however, die without a struggle. It appears that he managed to build himself a lean-to of branches and ferns ... don't forget he could move in a 15-foot circle around the tree on the end of that chain.

"There is evidence that he dug into the earth in a bid to find water, and had tried to exist by chewing bark chips and palmetto leaves from the tree. And in the trunk of the tree we found a deep gash.

FIGHT TO LIVE

"I'm pretty sure that, in a frantic bid to escape, he tried to saw through the tree trunk with the chain. But he did not stand much chance ... the trunk is three feet thick."

The police have consulted an expert on fanatical religious groups and he says: "Some of these zealots have the aesthetic idea that you can get closer to God by depriving the body of food, comfort and pleasure. It is possible that Sumner volunteered to be chained to the tree. But as the days passed he panicked and changed his mind. That could explain the pathetic attempt to saw through such a thick tree with a chain."

From The Mayors Office

Development agreements with School Boards

Considerable public confusion has arisen over the decision by council that a business contract (development agreement) should be entered into between S.D. #6 (Protestant Separate School Board) and the City of St. Albert prior to commencement of construction of the West Grandin School. It is suggested that the confusion arises from a story contained in the January 5th, 1977 St. Albert Gazette entitled [West Grandin School will be delayed indefinitely]. The first column of this story states that "the delay is due to the nature of the draft agreement to be imposed by the City of St. Albert..." On page 2 of the continuation of this story it was indicated that the West Grandin School hands for approximately six project would be delayed because the school board had rejected the tender because

of the inordinately high costs involved in constructing the facility. It is submitted that it is evident that while the School Board may have held reservations with respect to certain clauses that were contained in the draft copy of the development agreement forwarded to them by the City that the reason for the delay stems from the economic considerations and not from a draft agreement proposed by the City which could be clarified and "cleaned up" in a few days time.

It is worth noting that a draft copy of this agreement has been in the Board's weeks. The City officials have indicated for weeks both in a verbal and written form that they are willing and able to meet with School Board officials in order to quickly resolve this matter. We are still awaiting word

from the Board with respect to the establishment of a suitable time, place and date for such a meeting.

In conclusion, the reason that the municipality has elected to enter into a legally binding business agreement with #6 stems from the fact that the Board questioned the legal rights of the municipality to require adequate parking for both staff and students at Paul Kane High School. The confusion and problems arising from this matter clearly indicated that the old "handshake approach" towards school development projects was inadequate to ensure that the community's standards were

maintained and met.

In my opinion the establishment of a business-like agreement covering all aspects of school and municipal responsibilities will assist both parties in all future matters. It should be clearly understood; that the City Council would not have allowed a development agreement matter to interfere with the construction of badly needed schools in St. Albert. The unexpectedly high construction tenders seemingly achieved this result.

Dr. Richard H. M. Plain,
Mayor, City of St. Albert.

House appraisal ensures buyer protection

Many prospective home buyers must have doubts about the quality of the building they are buying. And so they should. Buying a house is probably the largest investment many persons will make in their lifetime, and they don't want to get 'burned' with defective merchandise.

Mr. Mitch Bizon, a local contractor for many years, has decided that it's about time someone offered people in the house-buying market a service where the quality and completeness of building construction can be appraised. Mitch Bizon Enterprises is such a service.

Mr. Bizon is a qualified journeyman carpenter, with 22 years experience, half of this in a supervisory capacity. Mr. Bizon feels that many home buyers do not realize that the standard appraisal is an estimate of dollar value, not of construction standards, i.e. insulation, plumbing, electricity, etc. According to Mr.

Bizon, there are approximately 120 different items which should be checked in a house, items which the ordinary buyer would not be aware of.

Checking the quality of construction is not only important in new houses, but also older buildings. Many people purchase older homes with thoughts of renovating, only to find that plumbing and electrical wiring are outdated, or the foundation is not sound. If such a home had been appraised before purchase, the prospective owner would have known exactly where he stood.

Mr. Bizon feels that his new company is offering a service which can protect people from making an unsatisfactory purchase, a purchase which they will be tied to for a good many years. If you are in the market for a new home and want to feel secure that you're getting what you're paying for, a call to Mitch Bizon may put your mind at ease.

'Crabdance' now playing at Citadel

Crabdance by Beverley Simons opened January 10 in The Rice Theatre as the second production of the 76-77 studio theatre season.

Malcolm Black, who directed the premiere presentation of Crabdance for ACT, Seattle, directs the Citadel's production. Mr. Black is a member of the Fine Arts faculty of York University, Toronto.

William Lord, a Red Deer native who is presently the chairman of the Theatre Department, York University and has designed for the Canadian Opera Company, designed set and costumes for Crabdance. Phillip Silver, Citadel's Resident Designer, designed lighting for Crabdance.

Florence C. Paterson, a well-known Canadian who appeared in a principal role in CBC's "House of Pride" plays Sadie Golden making her first appearance at the Citadel. Crabdance features Maurice Good who was seen recently in The Rice Theatre's opening production The Master Builder, Thomas Hauff who makes his first appearance at the Citadel, and Roland Hewgill who has played in most theatres in Canada last seen at the Citadel in Uncle Vanya.

Crabdance is an absurd Beckettian drama about a woman caught in a cage of frustration and neglect. It is the interior world of a woman trapped within the drab, dusty walls of marriage and the routine of years of day-to-day living.

In Crabdance, a lonely woman, Sadie Golden, relives the relationships of her life through the salesmen that come to her house. Only, she doesn't play by the rules taught to these salesmen at Head Office. She plays by her own rules, the rules of the mother, the wife, the lover. The rules of the humandance.

Crabdance plays until January 22. Tickets available at the Citadel box office 425-1820.

OTTAWA and Small Business

Implications of Quebec separation

By KENNETH McDONALD

Parti Quebecois proposals for a common tariff, or customs union, between Canada and a separate Quebec leave many questions unanswered.

Of all the provinces, Quebec is the most dependent on tariff protection. In those Canadian industries which are protected by tariffs higher than 20 per cent, more than 60 per cent of the employees are in Quebec. In addition, 37 per cent of manufacturing employment in Quebec is tied to sales in other provinces.

If Quebec were to separate, Canada's centre of gravity would move westward. The four Western provinces would make up 37 per cent of the total population, compared to 27 per cent now. Their main source of trade is in primary products (grain and minerals). Their historic complaint is that freight rates are rigged to suit manufacturers and processors in Ontario and Quebec.

Their products move east at a low rate which encourages processing in Eastern Canada. But in reverse they pay a higher rate on manufactured goods shipped west.

The West has swallowed this inequity for the sake of strengthening Canada's manufacturing base within the context of Confederation. Would it continue to do so if the third of that base represented by Quebec were

in another country? More likely is a demand to end freight rate discrimination and set up processing in the West.

The Western provinces' interests would be better served by low tariffs. This would reduce the cost of imported goods. Again, within Confederation the Western provinces accept the need to protect Eastern Canada's industry.

But the greater part of the protection is for Quebec's benefit. If Quebec were to separate, is it likely that the Western provinces, or the Atlantic provinces, would allow themselves to be penalized with a high tariff to protect industries in a foreign country? What would happen to the 37 per cent of Quebec manufacturing, which is now sold in other parts of Canada, if tariffs were lowered?

In April 1975, the results of a nationwide poll of Canadian Federation of Independent Business members on the issue of free trade with the United States was - 44 per cent in favour and 50 per cent against. Without Quebec, there is little doubt that small business sentiment would swing in favour of free trade.

The concept of a separate Quebec in a customs union with Canada is wishful thinking. Separation would be complete. Quebec would be on its own.

St. Albert couple celebrate 50th Anniversary

On January 7th, Edward and Bertha Perreault renewed their marriage vows in the St. Albert Chapel. Father Joly gave a very touching sermon which was attended by all the family.

At this time gold rings were given to the bride and groom of 50 years which were blessed by Father Joly.

Many friends and relatives shared the celebration at the St. Albert Community Hall where a supper was served followed, by a dance and refreshments.

Approximately 150 guests attended the banquet with Sid Liptak as master of ceremonies. At the table of honour was seated Mr. and Mrs. Boujie, Mr. Phil Paquette, Mrs. Couture, Mr. and Mrs. Alex Lenny, Mr. and Mrs. Joe Perreault, Mr. and Mrs. Bill Perreault and

the honoured couple.

A beautifully decorated cake centered the table. A toast was proposed by the oldest son of the bride and groom. Freda Constantine, oldest grand-daughter, read a sentimental verse and presented it to the grandparents. A touching song was sung by Phil Paquette, brother of the bride.

Edward was born in St. Albert in 1902. He worked in farming, for many years before becoming a carpenter and lather.

Bertha was born in Athabasca in 1908 and became Edward's wife in Peace River, Alberta on January 12, 1927. She gave birth to eight children, Helen (Duffield), Joe, (Brant), Bill (Rimbey), Wilf, Ron, Gordon, (Edmonton), Oliver (St. Albert) and Edna (Sunny-

MR. & MRS. EDWARD PERREAULT

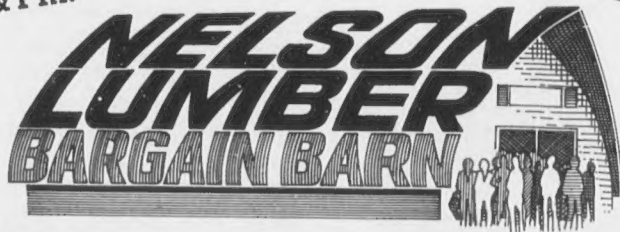

brook).

They also have 27 grandchildren and seven great grandchildren. Both Ed and Bertha are enjoying a good life in their home in St. Albert where Bertha is keeping active with the senior citizens group. They

wish to thank everyone who joined together in making their golden wedding anniversary a treasured occasion and for many contributions received.

Theatre 3 construction ahead of schedule

Construction of the new Theatre 3 in downtown Edmonton is ahead of schedule, and the 1977 season will open on time on February 15.

Theatre 3's technical staff moves into the new premises this week to begin work on the inaugural production of Brendan Behan's The Hostage. Contractors are meanwhile installing the theatre's sophisticated lighting and sound systems, and laying in new flooring.

SUBSCRIPTION SALES

With five weeks to go before the grand opening and the 1977 season, subscription sales have already topped last year's totals.

General Manager Stephen Gentles reports that weekend performances are already heavily booked, and that subscription sales continue to accelerate as the opening date draws near.

Subscription seating is limited to 200 at any performance. Season tickets are available now at all Bay ticket outlets, or by phoning the Theatre 3 Box Office at 426-6870.

ST. JOHN'S FIRST AID COURSE

More students required for this course sponsored by the St. Albert Safety Council. There are eight sessions of two hours each. Fee \$20.00.

If you are interested, please call --

BOB MILLER, EVENINGS -- 459-6277

Two Missionaries begin work here

Each year, thousands of young men, most of them under 21, postpone their education to give up employment, leave their families and travel countless miles in response to a special "calling." These are elders of the Church of Jesus Christ of Latter Day Saints, young men who often begin saving in their childhood toward the day when they will take up their special duties for their church.

Elder Jeffery Michels from Boise, Idaho and Elder Jerry Papavero from Arcadia, California currently reside here in St. Albert. Elders live and

work in teams of two and every day their activities begin at 6:30 a.m. Individual and companion prayers precede a routine of exercises, after which each studies the scriptures. After breakfast they study together, prepare lessons and discussion points in preparation for evening family visitations.

FAMILY ETERNAL

The church believes the family unit, love and good parental example cannot be stressed enough, because to Mormons the family is eternal. They believe that,

"as the Heavenly Father presides over the earth and its people so should earthly fathers preside over their homes and deal justly and kindly with their children."

Mormons believe, that they lived with their Father in heaven as His spirit sons and daughters until ready to come to earth and that here, "with memory of pre-mortal experience blotted out, they learn to live by faith and prepare for eternal life." Thus, marriages need not be dissolved by death and children may be united forever to their parents by an unbreakable bond.

After preparing their lessons for the evening, the elders work on street or mail displays, speaking at schools or at Parks. They distribute tracts from door to door or assist church members where their help is needed. Similar activities follow lunch and after supper they visit family groups of individuals, teaching them to understand more about the church. By 9:30 p.m. they return to their apartment, plan the following day's routine and retire by 10:30 p.m.

Much spare time is spent in study, because Mormons consider it of paramount importance. They believe "the glory of God is intelligence and whatever principle of intelligence is obtained in this life will rise with the individual in the resurrection."

One day of each week is set aside for household duties, shopping (they cook their own meals) and letter

writing and any left over time is used for sport participation or sightseeing. By 5 p.m. they are again dressed and ready for the evening family visitations.

TWO YEAR PROGRAM

This rigid routine continues for two years, during which time the elders receive no financial assistance whatever from the church. Money from their families or their own savings supports them entirely. Most of their time is spent on foot, since cars or trucks are supplied mainly only to those working in outlying areas. Although many plan for their two year missions while still very young, no one is "called" until after his 19th birthday. "Calls from the Lord come through a living prophet. Mormons believe the Church of Jesus Christ has been restored to earth, with its members being called ... latter-day saints, to distinguish them from the church members who lived in the days of Christ and the Apostles and who were also called saints. Just as Jesus called 12 Apostles to help direct the primitive church, so today 12 Apostles help direct the church, which is organized according to the pattern established then, with a prophet at the head."

Prior to his calling to Canada, Elder Michels worked as a manager of an Optical store. Elder Papavero attended Pasadena City College, where he was studying Business.

CHRISTIAN UNITY

For many years many denominations have worked together in a movement called the Ecumenical Movement. This is the idea of promoting or tending toward world-wide Christian Unity. Many world leaders do not want one big Super-Church. Real Christians want a better love and respect for each other. When one meets Almighty God and His Son, the Lord Jesus Christ he has made a big step in Christian Unity.

Deep seated honest doctrinal differences represent the convictions of sincere men who do not see and feel

alike on basic issues. Honest men do not cast convictions aside for the sake of unity. For this would not really be unity after all. Every religious group has a special emphasis and consequently shows our world another facet of the glory of God who, in His creativity, apparently set a high value on diversity. No one church will exhaust the wisdom and wonder of God.

Our St. Albert Ministerial has planned another worship service to promote Christian Unity. This will be at the St. Albert Parish Church, January 23 at 8:30 p.m. Rev. Dorcus Gordon will be the featured speaker. Mrs. Gordon is from the Braeside Presbyterian Church in St. Albert.

ACT Annual Meeting

The annual meeting of St. Matthew's Anglican Church will be held Sunday, January 23rd at 7 p.m. in the Church.

The evening will begin with a Service for Compline, followed by the meeting. This will include reports from

all organizations in the Church, voting on the proposed budget for the year, and the election of a Vestry. Also to be elected are two Delegates to Synod, as the Synod of the Diocese will meet in April of this year.

AGT GOOD NEWS PARTY LINE

CITIZEN OF THE YEAR

* St. Albert Chamber of Commerce annual meeting and citizen of the year banquet and dance on Saturday, January 22 at the Club Mocombo. Tickets available from any Chamber member.

ANNUAL MEETING

* The Villeneuve Athletic Association will hold the annual meeting on Monday, January 24 at 8 p.m. in

the Villeneuve Hall.

TOURNESOL CONCERT

* Tournesol will be holding a concert by Victor Paul, the Vancouver born singer and song writer, on January 22 and 23 at 8:30 p.m. at Espace Tournesol, 11845 - 77 Street, behind the Coliseum. Many of the artist's own original compositions will be included. Reservations can be made by phoning 474-7169.

City of St. Albert

PUBLIC NOTICE

TAKE NOTICE that the Council of the City of St. Albert has given first and second readings to Bylaw No. 2/77 which will on passing third reading and subject to approval of the Lieutenant Governor in Council, establish a Transportation System for the City of St. Albert.

NOTICE THEREFORE is hereby given by the Council of the City of St. Albert that before finally approving the proposed Bylaw No. 2/77, a hearing will be held in the Council Chambers, City Hall Annex, on Monday, February 21, 1977 at 7:45 p.m. to hear and consider representations presented either personally or through an agent of any interested party.

The following is a true copy of the proposed Bylaw No. 2/77 with the plan incorporated therein as Appendix "A" together with a physical description of the roadways as Appendix "B".

MUNICIPAL SECRETARY.

City of St. Albert

BY-LAW NO. 2/77

Being a bylaw to establish a transportation system for the City of St. Albert.

WHEREAS sections 3, 4 and 5 of the City Transportation Act, being Chapter 47 of the Revised Statutes of Alberta, 1970 as amended read as follows:

- Each city is responsible for the cost of establishing and maintaining all transportation facilities subject to its direction, control and management but may qualify for financial assistance from the Province by complying with the terms of this Act.
- The city shall prepare a comprehensive transportation study report for the development of an integrated transportation system designed to service the needs of the entire city.
- (1) The city council shall by bylaw establish a transportation system in accordance with the transportation study report and the bylaw shall designate the transportation system.
(2) The bylaw shall include a map showing the approximate location of the transportation facilities and such other items as may be required by the regulations.
(3) The city council shall submit the bylaw to the Minister for approval by the Lieutenant Governor in council may vary or approve the bylaw in whole or in part and where the bylaw is varied or approved in part only, it shall be enforced and take effect as approved.
(4) It is not necessary for the city council to pass any further bylaw amending the bylaw submitted pursuant to subsection (4) to conform with the bylaw as approved by the Lieutenant Governor in Council but it shall be deemed to be amended as approved.
(5) Subject to the approval of the Lieutenant Governor in Council the city may amend the bylaw from time to time by the addition or deletion of transportation facilities or in any other manner.
(6) The city council shall, after second reading, cause notice of the proposed bylaw establishing a transportation system or any amendment thereto to be published at least once a week for two consecutive weeks in one or more newspapers having general circulation within the city, the last of such publications to be at least 14 days before the date fixed for the third reading of the bylaw.
(7) In considering the proposed bylaw, the city council, shall hear and consider the representations, presented either personally or through an agent, of any interested party."

AND WHEREAS section 2(1) of The City Transportation Act read as follows:

"(1) "transportation system" means a system of transportation facilities including streets, highways, rapid transit and all type of transportation facilities to which this Act applies on, above and below the ground."

AND WHEREAS the Municipal Council for the City of St. Albert has caused to be prepared a comprehensive transportation report for the development of an integrated transportation system designed to service the needs of the entire City of St. Albert the transportation report consisting of the following:

June 1976 "St. Albert Area Transportation Study" - Summary Report
June 1976 "St. Albert Area Transportation Study" - Technical Report

AND WHEREAS City Council after second reading of this bylaw has caused notice of this bylaw to be published at least once a week for two consecutive weeks in one or more newspapers having general circulation within the City, the last of such publications being at least fourteen (14) days before the date fixed for the third reading of this bylaw.

AND WHEREAS in the consideration of this bylaw City Council has duly heard and considered the representations presented either personally or through an agent of all interested parties to this bylaw.

AND WHEREAS City Council deems this bylaw to be in the public interest.

NOW THEREFORE, THE MUNICIPAL COUNCIL OF THE CITY OF ST. ALBERT, duly assembled enacts as follows:

- This bylaw shall be known as "The City of St. Albert Transportation System Bylaw."
- In accordance with the transportation study reports hereinbefore described City Council hereby establishes a transportation system for the City of St. Albert consisting

District leaders quiz Calgary Power executives

Following a sumptuous repast of roast beef January 6th at the St. Albert Inn, Calgary Power threw itself open to some probing questions from their dinner guests, community leaders

from St. Albert and the surrounding towns and districts. Food for thought as well as body was provided in an address by company president M. M. Williams, followed by dinner. Having

digested both, the guests challenged the utility's executives with specific, and at times highly technical written and oral questions.

The first question concerned the company's district office at Morinville. Rumour had speculated that service to the area might be downgraded in terms of on-call service personnel based there, and that staff reductions might lead to the office being phased out and closed down. Concern was voiced by Dr. Paul Underwood, of the Morinville Board of Trade, that staff reductions would result in less efficient service to the growing area. However, Jim Sterling, division manager, answered that there were no plans at present to close down the office as it is a growth area. He said that two staff members had left and were not being replaced in the Morinville office, but rather the same positions were being filled in St. Albert. Mr. Sterling stated that if anything, service to Morinville would be improved, as residents would have access to a larger staff and more sophisticated equipment. He stated that Morinville was adequately served, with four staff members on stand-by.

Dr. Underwood then questioned the logic of improved service occurring with reduced staff, and was told that with today's better roads, travel time is negligible. Location of the trouble remains the greater problem. He added that staff members leaving Morinville are not

stand-by personnel but work in construction and that those positions are better based in St. Albert. He also said they were only "looking at" the elimination of any of their stand-by personnel. Dr. Underwood commented that if they do decide to do this, there would still be one person on call where there had formerly been two. Mr. Sterling replied that in the event of trouble, the necessary manpower can be reached by telephone, and that the move was made so that one, rather than two people would have to stand-by on weekends.

RATE INCREASE?

Another question arose from perusal of the company's annual report. The questioner said that in light of the fact that gross revenues, shareholders investment and net income were up in 1975, should it not be possible to hold rates at their present level?

Mr. Williams answered that although it appears that 1975 was a year of high increase, this was illusory, as the return on investment for 1973-74 was down. This meant that the 1975 rise just held the line. Therefore, he said, there will be rate increases as long as new plant costs continue to rise. Mr. Williams commented that the energy business "really illustrated the illness of inflation. We went years without raising rates, but now it will be years before a decrease can be brought about." He added that "once the cancer of inflation is built into the system, you can't get it out, and energy industries are among the hardest hit."

Research was on one person's mind as he asked if Calgary Power was involved in industrial research concerning the use of coal for

heat at small plants and in small areas, for the purpose of saving gas. The questioner also asked if the company's plant at Wabamun was geared for the use of coal.

In answer, Mr. Williams responded in the affirmative to the research portion of the question, stating that the company was a member of the Canadian Electrical Association. Through this body, the federal government and the utility are developing a Canadian research program in the electrical area. Although he stated that it couldn't match American research programs, he asserted that research was being done with uniquely Canadian applications. As to the part of the question concerning coal for heat, Mr. Williams said that they were involved in electrical energy research, but not specifically for heat, although some is being done for heat effluent. Concerning the Lake Wabamun plant, Mr. Williams said the plant was geared to use coal, gas and coal and gas mixed.

While speaking of various resources capable of producing electric power, Mr. Williams pointed out that Calgary Power had submitted a bid on a heavy water plant, and had approached pulp and paper mills. If an arrangement could be made with a pulp and paper mill, steam from the plant could be used effectively.

DISCOUNT DAYS "GONE FOREVER"

Asked when St. Albert residents would once again be able to pay their bills without bank or cheque charges when they pay by mail, a company executive replied ruefully that "those days are gone forever." He said that the discount ends up being paid for by other

customers who pay cash.

Another question began with the statement "Plains coal is under-priced due to the amount consumed by Calgary Power -- 'Therefore, what is a fair price for sub-bituminous coal?' The questioner was told that Calgary Power owns and controls coal for Wabamun, Sundance and the new plant south of Sundance, if it goes through. These resources were acquired over the years at varying prices. However, the company spokesman said, these must go in at cost. Thus the company can get a fair return but cannot charge more than cost. If coal was produced at higher prices, the royalties would be higher, and Albertans would benefit. However, as the purchasers, Albertans are protected by the law, and a higher-than-cost price cannot be charged without a change in legislation. He added that should Calgary Power ever be in a position to supply the Pacific Northwest of the United States, then Albertans would benefit with the price at the current value.

Strip mining was the subject of another query, when someone asked if the company had explored the use of underground rather than strip mining. They were answered in the affirmative, but were told that underground mining had been rejected as it is more expensive than strip mining. Another guest pursued this, asking if underground mining could ever be cheaper, because of the cost of land reclamation with strip mining. They were told that the two mines at Wabamun were unique in their low costs, and that this would not last forever, but even with reclamation costs of \$1.00 per acre, it still only amounted to four cents a ton.

Another citizen questioned why Calgary Power could not be supplied by several small companies, while using one large strip mine. He was told that the idea of transporting coal from different location by truck, pipeline and conveyor belt had been studied, but found too expensive.

RATE STRUCTURE REVISION

The question of rates arose again, as a guest asked that, in light of the concern over conservation and the optimal use of energy, would it not be more equitable to revise Please Turn to Page 13

Cont'd From Page 12

rates so small users were charged at a lower rate than large users.

In answering, Mr. Williams first cited the Public Utilities Act, which specifies that utilities must supply

power at cost and not discriminate between users. Therefore rates must be designed to reflect fixed charges and staff necessary. Any departure from this would be in violation of the law.

Mr. Williams referred then to experiments being done in the United States on rate structures, using Balloon or Lifeline rates. The first involves a higher rate

for higher consumption. They appear to be equitable for about a year, but eventually end up with the low consumer paying the higher rate. He said these must be carefully studied, and that it has been found that rates not designed for costs are ultimately unfair. Lower income groups end up getting squeezed, even though they are the low users.

The final questioning returned to local issues. A Gibbons resident pointed out that as Gibbons was closer to Fort Saskatchewan than it is to Morinville, would it not be more practical for Gibbons to

be in the Fort Saskatchewan jurisdiction, particularly as the road access in bad weather is easier to Fort Saskatchewan than it is to Morinville.

Jim Sterling, division manager, explained that one large division had been divided into three other areas, St. Albert, Sherwood Park, and Stony Plain. Then these areas were divided, and although the town of Gibbons itself was closer to Fort Saskatchewan, the area as a whole is closer to Morinville. However, he said they would review the question.

New Jazz records available at The St. Albert Public Library

By Margrit McCreath
Charlie Parker. The leading figure in the early revolution of modern jazz is featured on these albums with two trumpet players, each of whom was closely associated with him: Miles Davis and Red Rodney.

Clifford Brown and Max Roach at Basin Street. The drum solos of Max Roach and the incredibly proficient trumpet stylings of Clifford Brown are a prominent feature throughout the album. However, this L.P.'s strongest addition is tenorist, Sonny Rollins. Together they provide you, the listener, with such a degree of integration and spirit.

In Transition by Cecil Taylor. Two of the finest and rarest albums by one of the most influential leaders of jazz.

The Lady Lives by Billie Holiday. Newly discovered performances by Billie Holiday of 12 songs originally broadcast in 1949-1952 and never previously released.

Sonny Rollins. The tracks on this album present the saxophone virtuoso Sonny Rollins in a variety of settings with the Max Roach Quintet, the Red Garland

Trio and the Modern Jazz Quartet.

Workin' and Steamin' by Miles Davis. This is the classic combo of modern jazz; the most versatile, innovative and creative group in all of jazz during the years it existed. These sessions are from the amazing series of recordings they made in the mid-fifties, and they show Miles, Coltrane, Red Garland, Paul Chambers and Philly Joe workin' and steamin' at a pace which literally astounded their contemporaries. These sessions are among the best in all of recorded jazz.

The Book Nook

New books available at the
St. Albert Public Library
By Margrit McCreath

Canada: The Heroic Be-

ginnings by Donald Creighton. The sweep of Canada's history and infinite variety of geography are brilliantly captured by an eminent

historian in terms of the National Historic Sites and Parks, from Atlantic to Pacific, from the Arctic to the border. An ideal companion

for tourists, travellers, and anyone interested in Canada's colourful past.

The Complete Home Aquarium by Hans J. Mayland.

This encyclopedia guide to one of the fastest growing hobbies contains information on covers, tanks, filters, aeration and heating syst-

ems, suitable plants, and fish feeding habits. Over 200 exquisite full colour photos and instructive line drawings.

Crowned Heads by Thomas Tryon. Four supreme film stars, four marvelous interlocking lives that will stand as a dramatic revelation of the mythic world, whose incredibly unreal realities Tryon himself witnessed at first hand in his own years as a Hollywood star.

Dickens of London by Wolf Mankowitz. A major British television series, Dickens of London, scripted by the prolific author and playwright, Wolf Mankowitz, will be released simultaneously with this new exciting biography of the best-known and best-loved of all English novelists, Charles Dickens.

Enchanted Summer by Gabrielle Roy. From the celebrated author of *The Tin Flute* and other modern classics - her latest translated work. Sensitive reminiscences of summer in rural Quebec create a warm, affectionate idyll with the land, the river, the season itself as major characters.

Orphan Street by Andre Langevin. From the genius of French-Canadian literature comes a major work, suffused with the magic of a child's imagination, holding readers in a world both horrifying and enchanted. It portrays the human condition with depth, incisiveness, humour, and compassion.

The People's History of Prince Edward Island by Errol Sharpe. The development of P.E.I. is unique and unknown to most Canadians. For a century, the Island's people waged some of the most bitter struggles in our history for their rich land. Now they are threatened with losing it again.

Who Has Seen the Wind by W. O. Mitchell. William Kurelek, illus. Since its publication in 1947, *Who Has Seen the Wind* has established itself in the minds and hearts of millions as a Canadian classic. It is now available as a new, beautiful edition in a volume that marries W. O. Mitchell's splendid prose with the inspired illustrations of William Kurelek.

School Days

District 3 students to make Italian tour

Students from Grades 10, 11 and 12 of School District 3 will enjoy a special educational opportunity this spring on the Student Educational tour to Italy. Members of the school board heard a presentation from Mr. Rene Milos, tour chaperone, at their regular meeting Monday night. Trustee Peter Freeman assumed the chair in the absence of Chairman Steve Sieben.

The tour will take place from March 25 to April 4, causing a loss of only two school days as the spring break occurs at this time. Fifteen or 16 students from the district will make the journey on a charter flight with other students from Alberta and British Columbia. There is one chaperone for each 15 students and the trip costs each student \$735, which includes everything but a daily lunch. In answer to a question from Supt. Dr. Bill Zielinski, Mr. Miklos informed the board that the tour organization provided full liability insurance, and that he foresaw no problem with last-minute cancellations.

Mr. Freeman wanted assurance that the education component of the tour would be of as much value as in previous years, and Mr. Miklos replied that the group had planned several classroom sessions in preparation for the tour, to further student appreciation of the sights they are to see.

The tour leaves Calgary for Rome, and after a two-day stop, moves on to see Pompeii, Florence, Pisa and Venice. The students will then return to Rome, from where they will fly back to Calgary.

JAPANESE EXCHANGE

Also in relation to student travel, Dr. Zielinski reported that the Breakfast Lions are sponsoring two students on a student exchange to Japan. The Lions will be responsible for the selection of the two students, who will act as "ambassadors" and report back on the customs, sights and lifestyles they have seen. Two Japanese students will also visit this area in the same manner.

Mrs. Lockert moved that the board approve the student trip to Italy and the motion carried.

**Help your Heart...
Help your Heart Fund**

School Boards and city handle about same funds

At its regular meeting January 22nd, District 6 School Board trustees approved their annual request for an operational loan from the Bank of Nova Scotia. The loans are customary for school boards to cover operating expenses pending granting of government funds. The loan covers expenses incurred during the gap between the beginning of the schools fiscal year and that of government's. This

year's loan amounts to \$7,200,000 borrowed at an interest rate of 12% per annum. Last year's loan amounted to \$6,150,000. Trustee Don Munro noted that total monies handled by the school boards totalled an amount close to that handled by the City of St. Albert. Mr. MacFarlane commented that "if the city has its way we'll be handling less" while Mr. Webber added "... and we may have to get more!"

Mr. Munro told trustees that the Education Committee had five suggestions, the first of which was a proposed arrangement with the Edmonton Public School Board for accommodating excess pupils in spare city classrooms, either on a rental or

tuition agreement. The board noted that on a rental basis, they will supervise teaching, whereas the Edmonton Board would handle teaching on a tuition basis. The cost of busing will also be studied.

The second recommendation proposed an arrangement with the St. Albert Public School District for the use of any spare classrooms which may be available in that jurisdiction. This is feasible due to the availability of the new Sturgeon District High School at Namao which will cause vacancies in District #3.

The third alternative proposed by the committee suggests the accommodation of the 13 classes projected for the West Grandin School by means of double shifting these classes with 13 classes of Robert Rundle pupils.

Another proposal would make 13 classrooms available

at Sir George Simpson School by placing Junior High School students on a double shift program, either at Sir George Simpson or Lorne Akins.

The final alternative would provide classrooms for elementary pupils at Sir George Simpson School by accommodating 12 grade nine classes in Paul Kane School through an extended school day, entailing an extension of 40 or 80 minutes as required.

Mr. Munro said committee

will review and evaluate these alternatives and report back to the board at its regular meeting on February 23.

Referring to a "Bus Feasibility Study" prepared by the Outdoor Education Committee, Mr. Munro said the committee wished to develop a more definitive proposal before asking the Board to consider the purchase of a district bus to facilitate outdoor education and extra-curricular programs.

District 6 School Board Briefs

The St. Albert District 6 Board dealt with the following items of business at their regular board meeting at the board office on Wednesday, January 12 at 7:30 p.m.

Upon the recommendation of Supt. E. Gish, trustees moved to accept the appointment of the following teachers on temporary contract: Mr. Patrick Collins and Mrs. Sandra Danyluk have been assigned to Lorne Akins, effective January 3, 1977.

Also upon the recommendation of Mr. Gish, Mr. Webber moved the appointment of Mrs. Martin as chief deputy to the superintendent. The motion carried. At this point Chairman Webber noted a letter from the Alberta Teachers Association demanding that any assistant superintendent other than the chief deputy pay dues to the Association. Mr. Webber recommended that a letter be sent to the Ministry stating the board's disagreement with this demand, although its legality is ensured in the Teachers Professional Act. Mr. Webber stated that dues payment by the assistant superintendents creates conflict of interest if they were to attend ATA meetings. If they do not attend, they should not have to pay dues.

It was moved by Mrs. McCaffery to accept the superintendent's recommendation that the maximum hourly rate of pay for instructors employed in District Extension and Further Education programs be \$16 effective January 1, 1977. Mr. Webber indicated that this rate is consistent with other districts, e.g. Edmonton Public School Boards, N.A.I.T. and Grant MacEwan.

A motion was carried to approve the following mileage rates effective January 1, 1977: 20¢ per mile for cars; 21¢ per mile for trucks when such vehicles are required by employees in carrying out regular duties. These changes are justified due to higher costs of gas, repairs, depreciation and replacement and compare with those of St. Albert Public School District, Government of Alberta departments and the A.S.T.A.

Mr. MacFarlane moved acceptance of Mr. Gish's recommendation that the Board authorize the superintendent to apply for up to three French Language

Monitors to serve in Paul Kane, Lorne Akins and Sir George Simpson schools during the 1977-78 school year. The motion carried.

Dr. Cuts moved that the chairman be authorized to attend the Chamber of Commerce Citizen of the Year banquet at the board's expense, as other groups and clubs are doing. The motion carried.

Mr. Munro referred a report on pupil supervision to the Finance Committee for consideration. The motion carried. The report contained recommendations to provide funds from the proposed 1977 Capital Equipment for the purchase of stacking chairs and tables to establish

a lunchroom in the Assembly Area at Sir George Simpson. As no lunchroom facilities were planned for the school, Mr. MacFarlane felt the matter needed discussion. Mr. Munro commented that the Pupil Supervision Report resulted from a complaint to Mr. Gish by staff concerning the new bus policy.

Although Mr. Gish requested that it become policy for the board to approve expenditures under a tentative annual budget, pending the board's adoption of a new budget, Mr. Webber felt there was no need for an overall policy on the matter and that these expenditures could be voted every year. As a result, the authorization

read "the Board authorizes the superintendent to approve expenditures up to 65% of the allocations proposed under a tentative 1976 budget, pending Board adoption of a final annual budget."

The board accepted the monthly enrolment report for December showing total enrolment at 4393 down 17 from November. The board accepted the December report on teacher absenteeism at 3.71%.

A report on Current Events Instruction requested by Mrs. McCaffery was referred back to Education Committee for discussion and possible recommendation.

Bertha Kennedy School - Community Education

**Part of a Series
By Sue Hoffart**

**Community Development
Co-ordinator**

Community Education is a word that is often used when talking about community schools. Community Education is a concept that brings the community into the school, and takes the school into the community. The success or failure of community education is based on the assumption that local resources can be used to solve most community concerns. Total community involvement and shared decision making are key in community education, and these are promoted by using a Community Advisory Council.

Community education is an idea where the whole community, not just the experts, can work together to develop and organize services which are of interest to them. If we accept that the school does belong to all the people in the community, then we must take a wider view that schools can effectively be of use to people in more than just grade one to 12 schooling.

This requires better use of the hidden skills and interests in the community and better use of school space. For example, mothers with an interest in macrame may

want to give a lesson to a classroom during an art period; or a group of people may want to use the gym in the morning to play volleyball, then have coffee afterward.

When the community education concept is going full force, community people can contribute in many ways to the school program and to solving various community problems. Community participation involves four "ins" -- getting people into the school, usually through their children; getting them interested; keeping people informed on community issues;

and having people involved by their assuming leadership roles.

One reminder about community education. It is not a combination of disjointed programs but rather a basic process for providing a system of involvement for people in identifying their concerns. Even if the end result is less than the anticipated outcome, the fact that an effort has been made to expand and include parents and other community people in determining the direction of their school is a step in the right direction.

Boards, Council to discuss draft agreement

In response to a letter from Mayor Richard Plain, board members of Districts 3 and 6 will meet with the originators of the draft development agreement between District 6 and the City concerning the proposed West Grandin School.

City council will also participate in the meeting, in which District 6 has agreed to participate when they have a "complete evaluation" of the situation.

In a letter to the Mayor agreeing to the meeting, District 6 Board Chairman Bill Webber referred to the agreement as "a drastic change from any previous school development agreement in St. Albert or any other part of the Province of Alberta."

At their regular meeting Monday night, trustees of District 3 also agreed to attend the proposed meeting.

School District 3 Briefs

At their regular meeting Monday night at the Board office, 6 St. Vital Avenue, trustees of the District 3 School jurisdiction handled the following items of business:

Trustee Ernie Howrsh moved approval of the Board's annual borrowing resolution for the amount of \$3,750,000 for 1977. The amount outlines the Board's borrowing limits from the Bank of Montreal. Last year's amount was \$2,500,000.

Discussion of the Board's annual meeting with ratepayers was deferred to the next board meeting.

The Board approved a resolution to send two representatives to the Small

Catholic Schools Conference at Yellowknife and agreed to pay costs.

Mr. Howrsh moved that the Board provide tickets for the Chamber of Commerce banquet and ball, and Citizen of the Year award function on January 22 for the chairman and guest. The motion carried.

The Board approved a motion sending Supt. Bill Zielinski and Asst. Supt. George Soetaert to a Clinical Supervision Conference in Sherwood Park at the end of January.

In regard to the official opening of Bertha Kennedy School, trustees heard Principal

Ross Johnson's ideas on the matter, and agreed that Mr. Johnson, Trustees Peter Freeman and Ann Smith and Mr. Laplante, chairman of the Parents Advisory Committee would meet to discuss the nature of the function. It is hoped it will be during Education Week.

The Board approved the temporary appointment of Mrs. Basaraba from February 7th to June 29th to replace Mrs. Prefontaine.

The Board heard that Mrs. Mack is now teaching Grade One on a full time basis, as the two students required to justify the hiring of another half teacher have enrolled.

The Board approved statements from the Policy Advisory Committee on Student Suspension, Schematic Procedure of Policy Change and a Seminar Budget for teachers. These policies will be placed in the Policy Handbook. Textbook rental, fund raising, the school year, and school lunch policy were referred to the Board Policy Committee.

Mrs. Lockert gave notice of a meeting of the Nutrition Committee on February 14 at 3:30 in the Conference Room at V.J. Maloney School. Mrs. Lockert stressed that all interested parents were invited. The committee has decided that the teaching of nutrition on a continuous basis is desirable and that a policy should be formed for the district. Each school is going to research different aspects of the nutritional question.

In regard to a letter from the Edmonton Educational Cable Consortium inviting the district to join their organization, the Board received a recommendation from R. J. Chaput, supervisor of Instructional Media for the district, that they not join at this time. Discussion of the matter was delayed until the next meeting when Mr. Chaput will attend and the Finance Committee can give its assessment of the matter.

The Board received a letter from Community Development Co-ordinator Sue Hoffart asking that the Board approve the use of Bertha Kennedy School and the application for a liquor licence for one night for a Community Development Workshop. Mr. Howrsh moved approval and the motion carried.

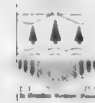

Mr. Howrsh moved that the Board follow the recommendation of the Interclub Council and write a letter to the Minister of Culture and Government Services requesting designation of the Mission Chapel and Bishop's Palace as historic sites. The motion carried.

City of
St. Albert

NOTICE

Council of the City of St. Albert has set the date of Monday, February 7, 1977 from 10:00 a.m. to 8:00 p.m. to allow citizens of St. Albert to vote on the following two (2) questions:

Are you in favour of the annexation to the City of St. Albert of approximately 1905 acres outside and adjacent to the northwest sector of St. Albert.

Are you in favour of the annexation to the City of St. Albert of approximately 1728 acres outside and adjacent to the northeast sector of St. Albert.

BARRY J. MILLER
RETURNING OFFICER.

Legion Officers installed

Two hundred members and guests attended the joint installation of officers ceremony held at the Legion Hall on Saturday, January 15. Comrade Jim Foote, Provincial Command Vice-President, performed the ceremony for the men and Madame June Kendel, a member of Branch 271 and an ex-district commander, performed the ceremony for the Ladies Comrade Jim Foote accepted a cheque from the Branch in the amount of \$1,000 and one from the Ladies for \$250.00. Both these cheques are to go to the Polio Fund of which the Legion is the National sponsor. Comrade Reg Bremner received his past president's medal and Comrade Joe Durocher received a belated past officers medal.

The highlight of the evening was the presentation of two past presidents plaques. One was presented to the Ladies by Madame Joanne Cockwill in memory

of Lois Brewster and the other by Comrade Wally Swenarchuk on behalf of his family and in memory of his brother. These plaques will be mounted in the foyer of the new hall and will make fine additions to the premises. The retiring president, Comrade Reg Bremner then presented the Branch with portraits of Her Majesty the Queen and Prince Philip. These will be hung in the auditorium.

Following the ceremonies dancing took place to the music of the Sound Merchants, a tremendous dance band and an excellent meal was served at 11 p.m. by our caterer, Stella. All in all it was a very successful and enjoyable evening.

This past weekend has been a very busy one for the Branch. Following closely on the heels of the installations night was the Branch's first attempt at a family smorg. This took place on Sunday,

January 16 between 4 p.m. and 8 p.m. It was very successful with a large number of members and their families turning out. The choice and quality of the food was excellent so for those who didn't make the first one, make a note of the date of the next - January 30th, 4 p.m. - 8 p.m. It is well worth a visit.

On Monday afternoon the Ladies Auxiliary were responsible for the catering at the official opening of the Sturgeon Health Unit. From all reports received so far the Ladies distinguished themselves as usual and have received nothing but compliments for their efforts. Well done Ladies, you are always more than a credit to Branch 271.

On Monday evening a first ever occurred for the Branch and that was the election of an executive for the Associate members. They have formed a club called the 271 Club. This comprises of sons and daughters of members.

Richard Lindholm was elected president, George Hadnett was elected vice-president, Carolyn Cartmell was elected secretary and Betty Gerrie was elected treasurer. Elected to the executive were Phil Jones, Larry Dreger, Neil Edwards, Eric Bannister, Tim Nikkel, Goldie Gavaacs, Arie Johnston.

The Associate's first venture is to run a dance at the Legion Hall on February 12th. Dancing will be to the "Blue Tones" and a meal will be served. The price of the tickets will be \$5.00 each. For this price you can't lose, so we urge all members to support this new worthwhile venture.

Trustees decide to skip annual meeting - McCaffery opposed

School boards in St. Albert are no longer required to hold annual meetings with ratepayers since the municipality attained city status, and members of the District 6 Protestant School Board are divided as to whether they should hold a final meeting with ratepayers this year, to cover the 1976 year.

At their regular meeting Wednesday, Dr. William Cuts moved that the board forego the meeting this year. Trustee McCaffery argued in favour of staging the meeting for the benefit of the few

citizens who do attend these yearly meetings. Trustee Don Munro remarked that the meeting might be of value as this is an election year, and the reports and information given might be of interest to the voter.

Chairman Bill Webber commented that if the board skipped having the meeting, that the information and reports could still be made available to the public.

The motion to eliminate the meeting was carried, with Mrs. McCaffery wishing her opposition recorded.

Interclub Council told many projects underway

The St. Albert Interclub Council held its first monthly breakfast meeting of the New Year at the St. Albert Inn on Sunday, January 9th. The club acts as an informal information and co-ordinating agency for local service clubs and organizations promoting the smooth execution of club goals and eliminating duplication of effort and funding by individual clubs and organizations.

Mayor Richard Plain representing the city, read the minutes of the last meeting, and with minor changes, were moved adopted by Dr.

William Cuts, Chamber of Commerce representative, and seconded by Bob Bjorkquist, Kinsmen representative.

Don Merrill of the Lions Club then reported on the status of the plans for the upcoming winter carnival, to be re-named "The Avalanche" this year. This was done in attempt to get away from the more common designations. The event will take place on February 11, 12 and 13.

Mr. Merrill then gave a list of Avalanche activities and locations planned so far. He

stated that the Carling-O'Keeffe van would be present for the occasion as well as the Rothman's van. He added that as the scope of the event had increased, clubs could expect an increased financial assessment. Listing some highlights, he said that the gorilla-costumed creatures familiar to Eskimo game-goers would participate, dressed in bruin or bear costumes. These "bears" will appear in shopping malls and other areas to promote Avalanche participation. The paratroopers of previous carnivals will again do their

death-defying drop from the skies. The traditional bonfire will be aglow in Lions Park this year rather than at its previous location. The parade will begin its exuberant march this year from the Trail Bridge, unless disappointing weather necessitates its beginning at the Lions Park in order to shorten the route.

Mr. Merrill indicated that invited guests included Lieutenant-Governor Ralph Steinhauer and his wife, Peter Elzinga, MP, Marcel Lambert, MP, Ernie Jamison, MLA. Groups already committed to participation include the Nordic Ski Club, the French Speaking Society, the Kiwanis Club, the Kinsmen and the Lions Supper Club. In addition to these participants, the Lady Lions or Lioness Club will stage their annual Sweetheart Ball on the Saturday night of the Avalanche weekend. The city has lent their Information Service Officer, Bruce Smith, who is giving his own time to aid the project.

The W.W. Cross Institute has 76 beds for in-patients. Most of these are there for treatment of up to six weeks, and are classified as "self-care" patients who can function independently, providing they submit to regular treatment. However, as one day's treatment may only last for five minutes, volunteers perform an essential service in helping patients fill the remaining time. The Institute also sees 150 out-patients each day for examination, treatment and follow-ups.

The Cross Institute is a referral institute, with patients being referred by their own physicians. The volunteers are considered part of the para-medical team, as the alleviation of stress is an important factor in the patient's recovery. Volunteers perform both daily and special services. Daily, a coffee cart dispenses coffee, juice and tea to out-patients. This has supportive psychological value as an out-patient's daily visit may involve hours of waiting between treatments. This delay is unavoidable as it is desirable that out-of-town patients be able to complete their regular treatments on a one-day visit. During these long and anxious waiting periods, volunteers visit and circulate amongst patients, enabling them to verbalize their feelings. At present the Edmonton Women's Institute, the Kinettes and various church organizations assist in this service. The Institute provides lunch, and coffee supplies are donated by Canada Safeway, the Cancer Association and Co-op Stores. A cart run by volunteers also brings library books and magazines to patients as well as toiletries, candy and gifts.

The Institute holds a children's clinic two days a week, but children are rarely admitted as in-patients. If they must be admitted to hospital they usually go to the pediatrics ward at the

University Hospital. During the Institute's Children's Clinics, a "play lady" comes in to provide diversion and talk to parents. Volunteers also bring around crafts to patients, with materials supplied by the Cancer Society.

Mrs. Howarth outlined Special Services which are always ongoing. An extension of the coffee cart stays in Diagnostic X-Ray. Patients here are on their first visit and are under great stress, and so comfort extended by volunteers is welcomed. A film night is also provided under the auspices of the Extension Department of the University and the National Film Board. Homebaking is brought and conversation made.

Interdenominational services are held by local clergymen who donate their time and there is a "Quiet Room" off the Chapel, as spiritual support is needed at this time. Thursday bingos are held by the Catholic Women's League with small prizes offered, and the League also donates recreation therapy goods, such as small leatherwork kits, plants and magazines are maintained by volunteers and they manage any shopping as well. Volunteers from different communities bring patients needing transportation for treatment, and provide moral support on the way.

Both guest speakers said volunteers are needed, indicating that groups or clubs take a regular day each month, to look after lunch, coffee or shopping. Volunteers provide a link with the community, and reduce fear as they witness recoveries and can offer real hope and reassurance that the disease is not necessarily fatal.

Blair Art, chairman of the council, emphasized the importance of representatives taking this information back to their clubs. Ms. Secord said that a slide-tape tour of the hospital will be available to groups and schools, giving information on the Institute, showing what people will face. This film can be provided to any group by making a telephone request to 432-8544.

"MOBILIZER" FUNDING NEEDED

Mrs. Howarth mentioned that if any person or group wishes to make a financial contribution, there is an avenue for that. The "mobilizer" is a machine used in moving patients from stretchers to treatment tables. Please Turn to Page 19

THE SPINNING WHEEL

ALBERTA'S LARGEST WOOL SHOP

IS NOW REGISTERING WINTER CLASSES FOR FEBRUARY & MARCH
EVENING AND AFTERNOON CLASSES AVAILABLE

Specially designed courses in weaving and macrame take you only three weeks to complete. These courses will contain all the information of many 8 to 10 weeks courses, are not exposure courses, but teach you how, in a work to learn manner. Projects began in class can easily be completed at home in your leisure time, with extra help being available to you during the week should you ever require it.

PRIMITIVE WEAVING - Teaches you to do woven placemats, cushion covers, wall hangings, purses, round weaving, lampshade weaving, ridget hettle weaving and more - three weeks - fee \$10.00.

MACRAME - Learn all your knots and make a wallhanging, pot hanger and a purse (optional) of your own design. This gives you a good working knowledge of macrame, to either make original macrame projects or to follow and/or adjust patterns in macrame books to suit yourself. Three weeks - fee \$10.00.

ROUND WEAVING - a four hour - one night course. Learn how to make beautiful woven round weavings even if you have never woven before. If you do not complete your project in one evening, you will know how to complete it at home. Fee \$6.00.

FANTASTIC LEARN TO CROCHET COURSE - for beginners. This one day course provides expert instruction in crochet while you begin work on your very own afghan. Course includes The Bernat Complete Book of Crochet, your crochet hook and 36 oz. of Bernat Berella '4', the best orlon sayelle on the market today, in your choice of 40 colors, plus five hours of instruction. Course Fee - \$32.00. Only two classes offered Saturday, January 22nd and Saturday, February 26th.

when they are in too much
pain to be lifted manually.
Patient stress is relieved by

this equipment, as well as
aides, who are distressed at
inflicting pain. This piece of
equipment cannot be paid for
under government grants,
and costs \$17,000. Any group
wishing to donate can do so

through the Volunteer Ser-
vices office.

The next speaker was Bob
Ford, a St. John Ambulance
instructor. Mr. Ford wishes
to teach a course in Industrial
First Aid, and 10 firemen are
slated to take the course.
However, 25 people are
needed to make up the
course and Fire Chief Purnell
has asked if more people
couldn't be assembled to
take the course. The course
consists of 16 hours of
instruction and will be held
once or twice a week. Anyone
interested should phone Ch-
ief Purnell.

CLUB REPORTS

Don Merrill reported for
the Breakfast Lions that a
meeting concerning the Av-
alanche would be held at the
Carling-O'Keefe Centre on
Thursday, January 13 at
7:30.

Mr. Richardson of the
Senior Citizens reported that
they will have a next-to-new
sale the last Saturday in
January and gave a rundown
of their regular activities.

Mayor Plain reported for
the city that the new arena
and new pool was being
tendered in February and
that council was examining
appropriate celebrations for
the city's new status.

Arlene Borgstede reported
for the Historical Society that
their annual banquet will be
February 26 at the Club
Mocombo, followed by an
annual meeting and auction,
with tickets available from
Mrs. Borgstede at 459-8601
or Mrs. Laird at city hall.
This year marks the 150th
anniversary of Father La-
combe's birth. Mrs. Borg-
stede said the society was
"on the verge of a lot of
exciting development." She
mentioned that they are still
awaiting the provincial gov-
ernment's designation of
Grandin House as an historic

site. She also pointed out
that the chapel is the oldest
building in the province and
is not protected as an
historical site. If the chapel
was so designated, the So-
ciety would receive a grant
enabling them to move the
chapel east to the grove of
spruce trees, and restore it
as a chapel, instead of as a
museum as it is at present.

Mr. Art suggested draft-
ing a letter from the council
to each club suggesting
letters be sent to the
Minister of Culture, re-
questing the buildings' de-
signations as historic sites.
Mayor Plain also suggested
letters be sent to appropriate
federal representatives and
that federal funds might be
available.

On behalf of the Kinsmen,
Bob Bjorkquist told all ser-
vice clubs that the new
Kinsmen bus is available,
carrying 36 adult passen-
gers. Clubs need only pay for
the gas and provide a driver.
The Kinsmen Rodeo will be
held June 17, 18, 19 and
clubs wishing to run con-
cessions should phone him at
458-0340.

Mrs. Iseke reported for the
Women's Institute that one
hospital bed, a wheelchair
and crutches are available at
the Sturgeon Health Unit for
those who need them.

Arlene Lemieux reported
for the Kinettes that 54
Christmas hampers were
delivered and that their fund
drive would be in February.

The Legion representative
reported that Branch 271's
new President Tompkins will
be installed with other new
officers at their January 16

banquet, where a cheque will
be presented to the Polio
Foundation. The Kiwanis
Music Festival will be April
14, 15 and 16.

Dr. Cuts reported that the
Chamber of Commerce ban-
quet honoring the Citizen of
the Year will be Saturday,
January 22, and that res-
ponse to the appeal for
nominations for the award
was poor this year. The
Chamber's Trade Fair will be

held on May 6, 7 and 8.

Dave Ward reported that
the Lions Annual Diamond
Dinner will be held May 4.
The Lions have purchased a
stationwagon for the CNIB,
enabling them to make
country visits. The club's
White Elephant sale last
Saturday was poorly atten-
ded.

The next meeting of the
Inter-Club Council will be
February 6th.

Concerning Women

Women's Institute report

The November meeting of
the St. Albert Women's
Institute was held at the
home of Laura Savoie with 16
members and two guests
present. It was reported that
the St. Albert Health Unit
have kindly offered to store
our hospital equipment for
us.

Merelyn Henry gave a
short talk about the work-
shop held at Fort Saskatch-
ewan. The morning session
was on skin, makeup and
hair. She said she was a little
disappointed as she thought
there would be tips and a
demonstration on this but
there were only films and
slides. Another part of the
session was "What advan-
tages Seniors have today that
they didn't have years ago."
The afternoon session was
devoted to smoking and
drying of meats and making
cheese.

It was also reported that
the Kiwanis Club are holding
a festival on April 13, 14 and
15 and the W.I. agreed to
give a scholarship for one of
the categories.

Plans are being made for
the Constituency conference
to be held in St. Albert in
April.

The December meeting
was held December 14 at the
home of Mrs. Neil Ross with
19 members and one guest
present. This was a Christ-
mas party. A short meeting
was held as elections had to
take place. The positions

filled were - Secretary, Vel
Barkhouse; Treasurer - Marg
Dolman, Directors - Joyce
Genereux, Lorraine Moore
and Ethel Cuts. Laurie
Dolman will take over the
publicity.

Lorraine Moore suggested
that maybe next year we can
get some of the business
firms in St. Albert to donate
gifts to the first baby born in
the Sturgeon General in the
New Year, and suggested
perhaps we could quilt a
baby quilt as our gift.

To get the festivities
underway we had a sing song
of Christmas carols until
Santa Clause made a sur-
prise visit to give out the
gifts. Santa Claus you better
look out because Women's
Lib just might do you out of a
job, because our very cap-
able Santa turned out to be
Sadie Ross's daughter Ann
Smith. The first W.I. meet-
ing of the New Year will be
on January 25th at 8 p.m. at
the home of Agnes Richard-
son - 96 Mission Avenue.
The roll call is payment of
1977 dues - \$3.00.

THANK YOU

We would like to express our most sincere thanks to
all of the friends and neighbours who offered so much
help and sympathy at the time we lost our dear wife and
mother. A special thank you is extended to Pastor Ray
Christenson, Dr. McDonald and the kind staff at
Sturgeon General Hospital, and to the ladies who
helped with the luncheon.

Your kind support and messages of sympathy meant
a great deal to us and will always be remembered.

MR. DAVE BARRY AND FAMILY.

CITY OF ST. ALBERT

PUBLIC NOTICE

QUALIFICATIONS OF VOTERS

Council of the City of St. Albert have, by Bylaw 64/72, eliminated the necessity of a list of electors and instead have provided that every elector shall subscribe to a declaration that he/she is qualified to vote. Also, by Bylaw 35/71, council enacted that all electors of the City are authorized to vote on any and all matters requiring the assent of the proprietary electors.

The qualifications of a voter for the questions on annexation shall be:

1. The full age of eighteen years on or before February 7, 1977.
2. His/her name appears upon the last revised assessment roll in respect of land or business liable to taxation, or
3. The owner of land liable to taxation for general municipal purposes and of which there is no purchaser, or
4. The owner or purchaser of a business liable to taxation for general municipal purposes, and
5. That you are not otherwise disqualified from voting.

OR

He/she is a Canadian Citizen or British subject and has resided in Alberta for six consecutive months immediately preceding January 17, 1977 and is or will be a resident in the City of St. Albert on Monday, February 7, 1977.

OR

A Corporation or a church or other religious organization or an estate that is a proprietary elector is

entitled to one vote only. The representative shall be of the full age of 18 years but before voting he shall produce a certificate

- a) from the head office of the Corporation or from its principal office within Alberta, or
- b) from the local governing body of the church or religious organization, or
- c) from the executor or Administrator of the estate, authorizing him/her to represent it.

Any enquiries should be directed to the City Hall, telephone 459-6601.

BARRY J. MILLER
RETURNING OFFICER.

Seniors guests of Historical Society

Members of the Senior Citizens' Club were the guests of the St. Albert Historical Society at an

afternoon party held on Sunday, January 16. During the afternoon, Jim Parker, president of the Society,

presented Dan Richardson, president of the Club, with a sketch of early St. Albert to be hung in the Centre. On

behalf of the Club, Dan expressed their appreciation of both the picture and the hospitality which had been enjoyed by members of the Club that afternoon.

Apart from this highlight in the seniors' calendar of events, the regular activities have been taking place. Drop-in evenings: Mondays and Wednesdays from 7 - 9 p.m., cards and bingo on alternate Tuesdays with the next bingo (run by the Kinsmen) being held on Tuesday, January 25 at 7 p.m. and cards on the following Tuesday at 1:30 p.m.

Lunch for a limited number is provided on Thursdays through the meals-on-wheels program. Any senior citizen interested in an occasional lunch at the Centre should phone Hettie Blades at

459-4756 or Pat Gray at 459-7476.

A short program usually follows the lunch to which anyone can come. And very often Ethel Cuts leads an exercise session to the accompaniment of the piano played by Bertha Kennedy.

On Thursday and Friday, January 20 and 21, a fitness workshop for older people

will be held from 9 a.m. - 5 p.m. each day in the Lions Senior Citizens Centre in Edmonton. Those attending will get a look at different forms of keeping fit: yoga, Tai Chi, outdoor recreation and both summer and winter activities including Scottish Dancing. Please phone 459-6601, extension 79 for further information.

February is Heart Month, and according to the annual ritual, Mayor Richard Plain signed the official proclamation last Friday afternoon under the watchful eye of Leah Dockrill (left) service chairman of Alpha Beta; Rose Groenhof, co-chairman of the Heart Drive, representing X1 Phi, and Beryl Schoults, chairman of the Heart Drive, representing the Kinettes.

Almost New shop plans sale

The "Almost New" Shop is a project of the St. Albert Senior Citizens' Club and is open on the last Saturday of every month from 1 - 4 p.m. in the Senior Citizens' Centre, just north of the curling rink.

It 'grew' out of a very successful sale held by the seniors in May last year when there was an obvious demand for second-hand clothing in good condition - children's clothing particularly sold quickly.

The Seniors recognized a need in the community, decided to meet it and the "Almost New" shop was born. Mrs. Bernie Vaugeois undertook the responsibility of seeing that it 'happened' and she and a faithful band of helpers have been operating it ever since.

Children grow out of clothing very quickly - sometimes before it even needs to be washed if it's something that isn't worn very often. Don't throw it out; leave it at the Centre during the hours it is open or phone Mrs. Vaugeois at 459-6273 and make arrangements with her. Indeed, before discarding any wearing apparel - children's or adults' - please give some consideration to donating it to the "Almost New" Shop. It should be clean and still wearable.

There is at present quite a variety of articles for sale including a pair of size 9 ski boots and a fur coat as well as racks of all kinds of clothes and footwear - all at very nominal prices. The next sale will be held on Saturday, January 29, an excellent opportunity to go bargain hunting. You'll be helping yourself and also contributing to the Senior Citizens' Club and the operation of the Centre.

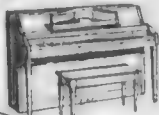

The convener of the "Almost New" shop, Bernie Vaugeois looks as if she's directing traffic! She's not. The men in the picture, Nap Belley, Sam Liptak, Emile Laplante and Ed Borie are helping put away the racks of clothes the last day the shop was open and Bernie is guiding them through the door into the storage room. Dorothy Smith, to the left, is helping her.

Girls all set for basketball

Over 220 girls registered for the Knights of Columbus basketball program and the Knight's committee under Al Alain has completed the arrangements to get practices started this Saturday morning.

The 10 teams will be working out of four school gyms at Vital Grandia, Sir Alexander Mackenzie, Sir George Simpson and Ronald Harvey schools. There will be approximately 42 girls at both V.G. and S.A.M. and some 62 at Simpson, with

about 52 at Harvey school.

Four head coaches are in charge of the instruction program: Tom Grinnell at Simpson, Gerry Hood at V.G., Wendy Giffin at Sam and Sandy Willis at Harvey. Coaching staff is still a bit short, although some 20 people will get the program started.

Anyone willing to help as a coach or assistant coach would be welcome and their services much appreciated. Call Al Alain or any of the head coaches. Al's number is

459-8656.

After a few practices the head coaches will fit the girls into teams, with a view to balancing the teams as closely as possible.

The intent of the program is to teach the girls team

play, co-operation and good sportsmanship. They will be playing games said Mr. Alain, "but the object will not be presented as 'win at any cost,' an attitude we will be working to dispel while fostering the concept of

"give it all you can."

Mandatory change rules will ensure that all players registered will be given fair playing time.

The girls registered will be given playtimes and other information at school, and

gym times at all schools are from 9 a.m. until 1 p.m.

All that is needed for outfitting is shorts, T-shirts and gym or running shoes. No jeans please, as the girls will get heated up and then be going out into the cold air.

Breakfast Lions sponsor 'Avalanche' queen contest

The St. Albert "Avalanche" queen competition, February 7 - 13, 1977 will be sponsored by St. Albert Breakfast Lions Club.

The queen will be selected from the school finalists of Paul Kane High School, St. Albert High School, Sir George Simpson, V.J. Maloney, Lorne Akins, Albert

Lacombe, Bertha Kennedy, and Father Jan. The entry from each school may be chosen in any manner that the school desires, and the entrant's name delivered to Dr. W. Zielinski, 6 St. Vital Avenue by February 2nd.

Entrants will be judged on three categories: 1) Personality 2) Skill in commun-

ication 3) One of the following: knowledge of community affairs; interests or hobbies; performing arts e.g. singing, dance, poetry etc.

Last year Cheryl Kashman from Sir George Simpson was the winner of the queen contest.

One of the duties of Avalanche Queen '77 will be

to head the torchlight parade on Friday, February 11 at 8 p.m. with Lt. Gov. Steinhauer and other dignitaries to the Lions Park where the burning of Christmas trees and official opening ceremonies will take place. She will also reign over all carnival festivities in the Arena and Community Hall.

EDSON Country's Cash Rebate

Marr's Leisure Products, Inc. will pay you interest in the form of a cheque (based on 18% per annum) on the cash (excluding your trade-in) which you invest in a 1977 Truck Camper or Travel Trailer. The program interest rebate period runs from January 14 to March 15, 1977 and is calculated to June 15, 1977. The earlier you invest, the greater the interest rebate. Here's how it works:

Product Purchase Period	Interest Calculator Period	You get Rebate per \$100 Cash Invested
Jan 14-Jan 23	5 Months	\$7.50
Jan 24-Feb 16	4 Months	\$6.00
Feb 16-Mar 15	3 Months	\$4.50

1. PRIME REBATE
2. MEDIO REBATE
3. MIN REBATE

You will receive your cheque immediately as your Edson Dealer confirms the sale to Marr's Winnipeg office.
NOTE: Purchases made after March 15th DO NOT qualify for the interest rebate program.

Scot singer Colin Stuart is back

Kilted Scots singer Colin Stuart is back in Canada again for an extended tour and will be singing to exiled Scots and fans in Edmonton and area from January 21 - February 26.

Colin is a regular visitor to Edmonton night spots this time of year. He and the Marlettes, the well known Scottish singing group of Maggie and Bobby Donaldson, will have a busy schedule for the month they are here.

The "Voice of Scotland" himself should get off to a good start January 21 and 22 at the 700 Wing, Kingsway

where there will be two shows nightly followed by a dance.

The Saturday night performance (January 22) is a special one as that night is "Robbie Burns Night." Tickets for this show can be obtained from 700 Wing.

February 5, Colin will be appearing at the Montgomery Legion auditorium for the "Maple Leaf Club."

The next appearance Colin and the Marlettes make is February 11 and 12 at Ellerslie for the Scottish Society.

February 18 and 19 will see Colin at the Northgate

Shoppers Mall for a 7 p.m. show on February 18 with 1:30 p.m. and 3 p.m. shows on February 19. Colin's records will also be available and the Scotsman will sign them for you himself!

On the evening of February 19, Colin will also be appearing 9 - 10 p.m. at the Army, Navy and Air Force veterans club in Edmonton.

The occasion will be a dinner dance with tickets at \$6.50. Phone the club for more details at 423-4848.

Colin's visit may extend into March according to his publicity agent Maureen Saunier.

Footnote: The Marlettes will likely have some vocal goodies set up for their visit to the Capilano Lounge February 5th.

KILTED SCOTTISH SINGER
Colin Stuart is back in the Edmonton area for an extended tour to warm the hearts of exiled Scots and Canadian fans with his brand of humour and singing.

An evening of music and songs by Victor-Paul

Vancouver born singer, song writer, Victor-Paul, invites you to an evening concert which will include many of his own original compositions. The event will take place on January 22 and

23 at Tournesol's intimate performing space located behind the Edmonton Coliseum at 11845 - 77 Street at 8:30 p.m.

Victor-Paul is best remembered for his performances with Sweet Majac on the CBC national TV series, "It's a Musical World." More recently he has been working the lounge circuit in various cities across Canada.

A high point of last summer was his guest appearance for the Habitat Conference in May and performing also for the separate Festival Habitat.

Victor-Paul's style of songs has been described as warm and reflective of his own personal growth, possessing a universal quality that relates well to the most diversified of audiences.

Tickets for these performances are \$2.50 for everyone. Limited seating. Reservations are advised and can be made by calling 474-7169.

THIS IS WHERE IT'S AT!

SPORTS

Generals on winning streak

St. Albert Standard Generals maintained their third place position in the nine-team Alberta Junior "B" hockey league with a pair of wins last week over Edison Arrows and Hinton North-west Cardinals.

Generals had no trouble with the Arrows, winning 10-4 on Thursday night, and then followed up with a close 4-3 victory Saturday over the Cardinals.

Generals lead the western division teams in the overall league standings and should finish in first place over Barrhead, Hinton and Edison. They will also be in the top four in the overall standings. Lloydminster Border Blazers should finish in top spot in the league as they have only lost one game this season to date.

Unofficial league reports indicates Matt Lister of the Generals has moved into second place in the scoring race and is within two or three points of the leader, Gerry Foley from Wainwright.

JIM GRANT

Veteran Terry Kieser has been given his release from the club and is now a

member of the Spruce Grove Mets of the Alberta Junior "A" Hockey League and all hockey fans hope he does well with his new team.

BOB MILLS

Coach John Ewen has obtained two new players, Randy Patrick, a forward who has five goals in three league games and defenseman Les Hrdlicka who has a pair of goals in as many games and appears to be fitting in well with the team.

In the 10-4 win over Edison, Generals built up period leads of 4-1 and 7-2 and there was never any doubt as to who would win after the first 20 minutes of play.

Matt Lister, Roger Meunier, Jim Gervais and Randy Patrick scored a pair of goals each to lead the way while Blaine Galbraith and Les Hrdlicka added singles.

General goalie Norbert Scholz had a good game in the nets for St. Albert and made 29 saves, many of which came in the first period.

COME FROM BEHIND IN HINTON

Saturday's win over Hinton saw the Generals score two third-period goals to come from behind a 3-2 deficit and go on to win 4-3 on Hrdlicka's goal at 11:35 of the third period.

Cardinals took a 2-0 first period lead on goals by K. Williams and B. Arlidge. Generals fought back and tied the game early in the second on goals from Roger Meunier and Blaine Galbraith. Bob Mills of the Generals went off for roughing at 10:17 and 17 seconds later Geoff Hore scored on the power play to give the Cardinals a 3-2 lead going into the final period of play.

Generals controlled much of the final 20 minutes of play, tying the game 3-3 on Jim Grant's goal at 5:24, and winning it on Hrdlicka's shot from about 15 feet out, beating ex-General and Comet goalie, Carey Winquist, with nine minutes left to play in the game.

Winquist was outstanding

Senior Mens Curling League formed

The St. Albert Men's Senior Curling League got underway Saturday morning. Following a pickup game at 10 o'clock the organizational meeting was called to order in the Lounge by the secretary-manager of the St. Albert Curling Club, Bill Hite.

Twenty-four seniors were present and welcomed by Mr. Hite on behalf of the club executive. Ice times will be provided the new league on available Saturday and Sunday mornings for the balance of the season. In an

effort to encourage the league the curling club will charge \$1 per curler per game only for the balance of the season.

Harold Vague was elected president of the new league, with an executive comprised of Harold Lewis, Doug Taylor, Les Allan and Ernie Jamison.

It was decided that there will be no cut-off this season and new teams wishing to enter will be welcomed, with each of the 24 men present agreeing to bring at least one new member next Sunday. A

spare list will also be set up under spare captain Les Allan.

Guy Raboud, Jim Flynn, Bill Eschak, Harold Vague, Harold Lewis and Ernie Jamison are skips of the initial six rinks and other original members of the league are: Albert Lesburg,

Nick Salzl, Ben Kluthe, John Kaminski, Marshall Hill, Floyd McCurry, Vince Maloney, W. Graham, Stan Kalita, Ross Hutton, Wally Swenarchuk, Tom Skistod, Doug Taylor, Les Allan, Doug Low, Tony Iseke, Robert Iseke, Peter Iseke.

Popularity of fencing growing

Last Saturday afternoon the St. Albert Fencing Club staged a demonstration of competitive fencing, using regulation equipment, something which the club has not yet acquired.

Now a registered organization, the club is in its second year of operation. Prior to becoming a registered club, the group had come under the auspices of the St. Albert Parks and Recreation Department.

Gerald Samuels was the persons responsible for getting the sport off the ground in this area two years ago. Since that time the club has been active in various competitions, in which they have done very well, and is now looking for funding in order that they may purchase the equipment necessary for staging a fencing tournament of their own in St. Albert.

Instructors are of top calibre with Tom Freeland, the coach of the University of

Alberta fencing team, heading the list of qualified personnel. The club is planning to offer a beginners course, which will be taught by two leadership people from the University, and a course of individual instruction for more advanced fencers.

President of the club, Tom Schwarzkopf, pointed out that fencing is a sport that is quite inexpensive to get into. An initial investment of approximately \$30 will purchase a mask and weapon, all that is needed for the amateur.

Fencing classes are advertised in the Parks and Recreation Program Calendar. If you're interested in finding out more about the sport, Albert Lacombe School is the place to be, next Tuesday night at 7:30. Classes are approximately two hours in length and the winter session begins on January 25th.

David Adlard (left) and Jim Goruck were two of the St. Albert fencers who were in attendance at the demonstration at Grandin Mall last Saturday afternoon.

The St. Albert Fencing Club is a young, but growing club which has a lot to offer the residents of the city.

Scorpions on the move to capture fourth spot

Speedway Mobile Home Scorpions from Calahoo are making a move for fourth and final playoff spot in the west division of the 10-team Sturgeon Valley Senior Hockey League, coming up with wins in their last three games.

Two of those victories came at the expense of Villeneuve Voyageurs who are now winless in 11 league games. They are the defending league champs and will find themselves out of the playoffs unless they can come up with a strong finish in the last half of the schedule.

Scorpion Coach Stubb Berube feels the team is starting to jell and now playing some exciting hockey, getting superb goaltending from Wally Wencek and Bruce McMillan.

January 11th saw Calahoo score a 11-6 win over Alexander Braves with Gary Acheson scoring three goals while Terry Bauman added a pair. Other Calahoo goals

came from Dave Grice, Scott Ballentine, Jay McGeough, Emile Berube, Gary Ferguson and Dave Quintal.

Eugene Newborn scored a pair for the Braves with Gordon Burnstick, Wayne Burnstick, Norm Kootenay and Leroy Paul getting the others.

Friday night at the Riviere Qui Barre arena, Calahoo allowed the Voyageurs the only goal of the first period by Mark Contant and then tied it in the second on Gary Acheson's goal. The third period was all Calahoo's as they scored five unanswered goals for a 6-1 win. Veteran Emile Berube scored the winner early in the period and Dave Grice added the insurance marker a minute later to give the Scorpions a 3-1 lead.

Scott Ballentine scored the next two Calahoo goals and Jay McGeough finished off the scoring late in the period.

Sunday afternoon the same two teams went at it again in Calahoo with nearly

the same results, as the Scorpions came out on top of a 5-1 victory.

Dennis Boudreau opened the scoring for the Scorpions at 15.15 of the first period on a slapshot from the point. Villeneuve came back to tie the score 1-1 at 18.10. Graham McDonald got credit for a goal that hit the goalpost about two feet above the ice, which referee George Lang lost sight of, thinking the puck had entered the net.

Ex-St. Albert General junior star, Scott Ballentine, scored what proved to be the winner early in the second period, and a goal by Jay McGeough at 5.50 of the period made it 3-1. For all intents and purposes it was all over. Wade Murray added the first of two goals late in the second period and scored the only goal of the final period of play.

Both goaltenders, Wally Wencek for the Scorpions and George Bonneyville of Villeneuve made some ex-

cellent saves.

Both teams were without some of their top players and for Calahoo it marked the first time in 25 or 30 years

that a son of the late Ed Berube was not listed on a game sheet.

Emile, Stubb, Sneaky, and

Greasegun were all absent for one reason or another as were the Perrott boys and Cy Klassen from Villeneuve.

Highway 14 hockey league standings

Recent league standings for the Highway 14 Juvenile Hockey League show the St. Albert Truckers in third place, just three points behind league leading Leduc Stingers who have also played four more games than St. Albert.

The St. Albert L.B.H. Builders are in fifth place in the six-team league and do not appear to be able to make a playoff position.

Ken Strand of the Truckers is in first place in the individual scoring race with 30 points followed closely by

Smith of Sherwood Park and Scott from Leduc. Real Huot from the Truckers is in fourth place.

in the nets for Hinton as was Ralph Chambers for the Generals. Both came up with some excellent saves.

Generals play league leading Lloydminster Saturday night here and will host St. Paul Sunday afternoon at 3 p.m. Saturday's game goes at 8 p.m.

Barrhead Elks will be here Tuesday, January 25 for a 7:30 p.m. game.

Oilers

lose ground in playoff battle

Edmonton Oilers lost a little ground to Calgary in the race for the fourth and last playoff position in the West division of the World Hockey Association. Saturday night they dropped a 6-3 game to Indianapolis Racers, while the Cowboys were winning 5-3 over San Diego Mariners.

Oilers are now only one point ahead of Calgary with the Cowboys having four games in hand. Phoenix Roadrunners are in sixth place only one point behind Calgary and also have two games in hand on the Oilers.

Oilers may also have lost some ground in their recent seven-player buying spree from the defunct Minnesota Fighting Saints. Apparently some of the ex-Saints had no trade clauses in their contracts and it now appears that the Oilers will only get Bill Butters, Mike Antonovich and Louie Lavasseur, with Dave Keon, John McKenzie and Jack and Steve Carlson not wanting to come to Edmonton.

Arrangements are now underway with Oiler vice-president Gordon Robson and some of the players he hopes to have in uniform when the Oilers host the Phoenix Roadrunners Sunday night in the Coliseum.

Comets maintain top spot after a pair of wins

St. Albert Comets continue to lead the nine-team Alberta Major Intermediate Hockey League, as the latest league standings show St. Albert with 40 points on 20 wins and only four losses.

Sherwood Park Barons are in second place only four points behind with 18 wins in 23 games, followed closely by the Edmonton Bruins with 30 points on 15 wins in 22 games played.

Comets maintained their lead with a pair of wins last weekend. They posted their first shut-out of the season Saturday when Dale Henwood blanked the Wetaskiwin Colonels 3-0 in Wetaskiwin.

Sunday evening in St. Albert the Comets took a 5-3 win over Camrose Maroons and are now on a three game winning streak. Comets only defeats of the season were to the Edmonton Bruins (2), Sherwood Park and Camrose.

Saturday night Henwood turned aside 27 Wetaskiwin shots to pick up the shut-out

and made many excellent saves throughout the game. The first period was scoreless although it didn't take long for John Phelan to score the winning goal in the second as he rifled one in with only 43 seconds gone in the second period.

St. Albert scored two third period goals on shots by Pat Frewer and Barry Medori, who are both rookies, having played last season with the Standard Generals of the Alberta Junior "B" Hockey League.

KERRY KETTER

Ex-Edmonton Oiler Kerry Ketter also played in the game and set up Frewer's

goal with some fine passing. Ketter will only dress for games where the team may be short handed due to injuries, as he prefers to guide the team while not in uniform. At any position he has to be a big reason why the club is playing super hockey.

CLUB GETS HENWOOD

The addition of goaltender Dale Henwood from the Alberta Golden Bears also will be a big plus for the team as he has some great moves

and will help the club in clutch situations.

Sunday evening the Comets defeated Camrose 5-3 with Brian Georgy scoring a pair of goals while Bob Foote, Brian Stevens and Andy Tymko scored the others. Mike Stewart was strong in goal for the Comets coming up with 26 saves.

Referee Ron Panchyshyn had a fairly easy night assessing only 15 minor penalties with St. Albert picking up nine of them.

Comets have now all their players in reasonably good

shape and if they can keep healthy in their remaining seven league games they should have no trouble finishing the league in first place.

Comets will be in Enoch tonight for an 8 p.m. game and will travel to Sherwood Park for an important game

Sunday. A win over the Park would almost assure the Comets of wrapping up the league.

St. Albert's next home game won't be until February 1st when they take on the Edmonton Bruins in a game that could also decide first place.

THANK YOU

Canadians come on strong in weekend games

The Pee wee BB Canadians had a good weekend. Saturday afternoon in St. Albert the Nu-West team soundly defeated the Leduc Elks by a 12-2 victory. On Sunday the team held the Spruce Grove Pee wee A squad to a 4-4 tie. Coaches Al Laplante and Ed Rusnak have been concentrating on regular, highly organized and well disciplined practice sessions of late, and were well satisfied with the results as their frisky charges out-classed and out-hustled the Elks. Mitch Poulin, with four goals and three assists, led

the Canadians, while John Holden followed closely with three tallies and two assists. Craig Rusnak and Aaron Banks were the playmakers of the day with five assists each, while Dean Clark continued his steady play with two goals. Filipchuk, Laplante and Shaughnessy added singles. Scorers for Leduc were Chambers and Giddings. St. Albert was ahead 7-1 after the first period, 8-2 at the end of the second and added four unanswered goals in the final period.

CANADIANS DOMINATE "A" TEAM

Calahoo arena was the scene of the entertaining exhibition contest on Sunday as the undefeated pee wee "A" contingent squared off against the much improved Canadians who held on for a tie.

Nu-West surprised their opponents with hard skating and an excellent passing display which was a pleasure for the spectators to watch. The Spruce Grove reps did a lot of watching as well, as

Nu-West outshot them by a margin of 43-19 and completely dominated play throughout the contest. Needless to say, Spruce Grove netminders were the busiest players on the ice and saved the day on many occasions.

Stevenson and Kaytal scored twice for the Grove in the first game and Rusnak opened the scoring for the Canadians at the 15-minute mark of the second period, only to have Stevenson come with Spruce Grove's third goal 44 seconds later.

Rusnak from Laplante,

Sessor from Clark and Holden from Poulin and Banks brought in three unanswered goals during the first half of the third period to give the Canadians a 4-3 lead. It was Stevenson who came to the rescue again for the Spruce Grove team, tallying the final goal of the game at 17:30.

Eight penalties were called, four going to each team in the closely fought match.

On Saturday the Nu-West Canadians will host the Sherwood Park Load Stars at the St. Albert Arena in what may be their toughest and most important game of the season.

Ed [Rocket] Rusnak [above] is living up to his reputation

and making history as one of St. Albert Kinsmen Warlords most prolific scorers both on and off the ice. The Rocket collected 14 points in the Warlords past two appearances, the last being a five point effort against the ex National Hockey League loaded Edmonton Afterburners. Ed also scores well with the minor hockey set when standing behind the bench and coaching the St. Albert Nu-West Canadian Pee wee BB reps.

Every team needs good men on the wings and John Holden, left and Brad Burns are filling the jobs for the Canadians. Numbers 14 and 17 are normally found patrolling their wings and doing an honest, diligent job with no fanfare. Both boys were contributors in the points department in Nu-West's triumph over Leduc last Saturday at the St. Albert Arena.

ASSISTANT RECREATION SUPERINTENDENT

The Sturgeon Regional Recreation Council wishes to invite applications for the position of Assistant Recreation Superintendent.

Applicants should have graduated from Physical Education or Recreation Administration at a College or University. Experience is desirable. Job responsibilities include development of sports and athletics, outdoor education and recreation, and assisting with the Administration of the Department.

Send application, stating qualifications, experience, and expected salary to the Sturgeon Regional Recreation Council, Box 570 Morinville, Alta. T0G 1P0. Applications should be received on or before January 28, 1977.

Recreation Report

By St. Albert Parks and Recreation Department
SOCCER

An organizational meeting for those persons interested in assisting the upcoming soccer programs as coaches, referees, or in any other capacity will be held at the Grandin Clubhouse, Thursday, January 20 at 7:30 p.m.

LADIES BASKETBALL

The Thursday evening sessions of ladies basketball held at Paul Kane High School between 8 - 10 p.m. is resuming again tomorrow night after the Christmas break. Any ladies interested in a pick-up game of basketball can go directly to Paul Kane gym.

NORDIC SKI CLUB

An intermediate clinic for skiing improvement will be held January 28, 29 and 30 with the first session starting at Sir Alexander Mackenzie School at 7:30 p.m.

The clinic will be free and limited to club members 14 years of age or older. A maximum of 30 participants can be registered on a first come first served basis.

It is suggested that members wishing to take the course should have been skiing for about one year and preferably been through a beginners' clinic. Registrations will be taken by John Woiitenko, 459-4831.

KIDS NIGHT OUT

Active games, passive games and drama are presented to the children between the ages of 8 - 12 years in this program. It is held at Vital Grandin School every Monday for 10 weeks between 6:30 to 8 p.m. Copies of the program content are available to parents of those children registered as well as to any parents who may be interested in having their children attend these sessions.

REGISTRATIONS

Now that the dust is settling and despite the reconstruction program being carried out in the West end of City Hall, the Department

running the obstacle course of electricians wires and ladders and trying to hear over the din of hammers and drills managed to process 1260 registrations this past week.

The following classes will be cancelled because of lack of support: Advanced art, The Akinsdale 4 and 5 year old arts and crafts, modern jazz, advanced karate, adult painting and painting in wool. Refunds will be made to these registrants.

There are still a few openings in the following classes. Anyone interested in joining these courses should come in to the Parks and Recreation Department immediately and register:

Handicapped crafts, junior basketball, baton twirling, creative drama, children's gym all sessions, teen and adult guitar, beginners' karate, model airplane, the Wednesday 1 - 3 session of macrame at Lacombe, multicrafts for 7 - 12 year olds, Level 11 multicrafts, introduction to painting on Mondays and Tuesdays, adult pottery Tuesday morning session, learn to sew, spinning, loom weaving, primitive weaving, advanced ladies keep fit, and various yoga programs.

COACHING DEVELOPMENT COURSE

This two weekend course originally scheduled for January 21, 22, 28 and 29 has been postponed to February 11, 12, 18 and 19. Registrations are still being taken at the Parks and Recreation Department, City Hall. Fee is \$5 and will be held at Sir George Simpson Junior High School.

Danny Woytiuk of Alberta Sports and Fitness will be hosting this program which will cover Role of Coach, sports psychology, motor learning, sports medicine, biomechanics, exercise physiology and training methods.

PUBLIC SKATING

Public Skating cancelled this Saturday, January 22. Sorry for any inconvenience this may cause. Regular skating hours are in effect for the following Saturday.

4C's 4H Club News

By Diane Royan

Our meeting was held on Monday, January 10 at Recreation Centre with members answering the roll call with "What I got for Christmas." Old business discussed was our nut sale and it was reported that there are still 68 boxes left so if anyone would like to help us by buying a box or two phone 961-2361, our club would greatly appreciate your help. The Mini Communications Festival to be held at Bon Accord School on January 15th was discussed and all

interested members are urged to attend. Bring along a bag lunch and your prepared speech.

Also members 15 years and over were reminded to send in their completed personal record forms to the 4H Branch to be eligible for 4H selection May 20-23 at Olds College. These must be in the 4H office by January 31.

Members were also reminded to circle January 16 to watch a special program at 9:30 a.m. channel 3 TV on the new "Alberta 4H Centre."

The club has talked about having a uniform for our club for the past year and a half. At least we will be getting 4H T-shirts as part of our uniforms. All members are asked to bring their money, size and style they wish to our public speaking finals February 14 or 21, so that we can order them.

Iowa exchange trip was discussed and the following members wish to take part. They are Cheryl, Debbie and Diane Royan, Vivian Maurier, Jackie DeChamplain, Yvette and Yvonne Pelletier.

Corinne Prefontaine, Marlene Champagne, Doris Letourneau, Michelle Kremer and Natalie Bruce. This exchange trip will take place at the end of July or first week of August and members will be kept informed as to what is expected of them.

A bake sale at the Co-op will take place on February 12 from 1-4 p.m. This will be our Valentine's Day sale.

Our club has planned a family dance for February 19 at the Legal Community Hall with lots of games and various comedy dances to

include the whole family. We would like to see the whole community come and join us as it is open to everyone from anywhere. A valentine King and Queen shall be crowned at this dance and the lucky two will hold this title for one year when we will crown another King and Queen. An Italian raffle will be held at lunch time also. Hope to see you all at this family event.

Public Speaking - All members were asked to have the titles of their speeches in to the leader no later than January 20 in order to get judges sheets ready. Public speaking dates are as follows:

Foods section will have their speak-off on January 22 - 2 p.m. at Mrs. Edna Mercier's home.

Clothing Unit 1, 2 and 3 will be notified as to the date and place by Mrs. Gaetane Champagne.

Crafts 1 and 2 and Leathercraft will hold their speak-off on February 3, 7:30 p.m. at the Rec. Centre. This also includes the girls from the Rabbit section.

Woodwork 1 and 2, small motors and boys from Rabbit section will hold their speak-off on February 7, 7:30 p.m. sharp at the Rec. Centre. All parents are welcome to come to any or all these speak-offs.

Club finals for public speaking are:

Juniors - Feb. 14, 7:30 p.m. Rec. Centre.

Seniors - Feb. 21, 7:30 p.m. Rec. Centre.

These speak-offs will be the top speakers from each of the projects sections held prior to the club finals. Parents are urged to come and support these speakers. Lunch will be provided immediately after each speak-off.

A notice for Unit 2 Foods members - the meeting for this section has been changed to the fourth Wednesday of every month at the home of Mrs. E. Brown. Make sure to bring your project books with you.

Instead of going to the Ice Capades or Rodeo this year the club are planning to go on a city tour sometime during the Easter holidays. Junior leaders are in charge of planning and arranging the tour.

The next business meeting will be held on March 14, 7:30 at the Rec. Centre. There will be no business meeting in February due to public speaking, but all members are asked to come and join us at all the speak-offs as they will benefit from listening to others speeches.

DeChamplain - Auger wed

On Saturday, November 20, 1976, Jocelyne de Champlain, daughter of Fernand and Cora de Champlain of Vimy exchanged wedding vows with Gerald Auger, son of Germain and Cecile Auger of Legal. Jocelyne and Gerald were united in marriage by Rev. Louis Viel in Our Lady of Victory Church, Vimy, Alberta.

Organist and soloists were Rogelle Pelletier, and Dolorces Brisson, sisters of the groom.

Entering the church with her parents, the bride looked lovely in her chantilly lace gown with puffed sleeves, high neckline and empire waistline. From the headpiece a full sheer veil flowed down to the floor, bordered with matching lace. Accenting the gown was a fresh bouquet of roses.

The bride's maid of honour, Lucille de Champlain wore a floor length gown of green polyester knit with a laced bolero type jacket. Her two bridesmaids, Angeline Auger, sister of the groom and Laurette Kieser, wore floor length gowns of peach rust polyester knit. The flowergirl, Dorice de Champlain wore a floor length gown with a high line bodice, slightly gathered skirt and bias flounce made of peach rust polyester interlock knit. All the attendants carried bouquets of yellow carnations.

The groom was handsome attired in his beige tuxedo adorned with rose boutonniere. The best men, Jocelyn Auger, brother of groom, Donald de Champlain, brother of bride, and Ronald Knor, were attired in brown tuxedos with velvet collars and vests.

The ushers were Raymond de Champlain, brother of the bride and Raymond Brisson,

brother-in-law of the groom.

The epistle readings were

read by Lucille de Champlain, maid of honour.

Sturgeon will seek fire agreement

The MD of Sturgeon #90 will negotiate with St. Albert on a fire services agreement even though St. Albert (January 4) approved termination of the agreement between Sturgeon and the city.

At its regular council meeting January 14, the MD decided that Reeve Bill Flynn and Secretary Treasurer Alphonse Nobert should meet with the St. Albert administration "to find out what areas in the existing agreement are not satisfactory and bring back information as to changes."

St. Albert seems to feel sure already that it may not be getting the best deal in the fire arrangements. St. Albert Mayor Dick Plain has indicated to his council that the MD of Sturgeon is not paying its way with fire fighting costs.

A memo to St. Albert shows the St. Albert taxpayer is paying \$300,000 to maintain a fire protection capability in the MD of Sturgeon.

A communication from St. Albert City Administrator Bob Byron to the MD suggests that some agreement between the MD and St. Albert should be set up "without getting into a political hassle."

The doors for negotiation remain open till the end of next month to sort out an agreement, but MD officials talk of an agreement which gives six months notice of termination.

The three areas of difficulty relate to the area served by St. Albert for fire protection, lack of manpower and special equipment to fulfil the fire fighting capability, and inadequate water supply.

Following are some of the highlights from the regular council meeting of the MD of Sturgeon January 13 and 14.

STURGEON REGIONAL Recreation may set the ball rolling for students and young people to take part in clean-up work on the Cardiff Park. This will be under a new scheme called Young Canada Works which is similar to a Local Initiative Program. Deadline for applications is February 4.

LOIS HOLE, Sturgeon School Division representative on the MD council is drumming up support for planting trees around the Namao Composite High School which is scheduled for opening this Fall.

Mrs. Hole wants to "fix up the grounds a bit" and is also anxious that MD councillors should have a tour of the new high school facility.

WITH THE UPCOMING move of the Canadian Airborne Regiment away from Canadian Forces Base Namao, Sturgeon Regional Recreation is now exploring the

possibility of getting permission to use the six lane fully automated bowling alley at the base, as well as the swimming pool.

ALONG WITH COUNTY of Parkland Parks and Recreation and the Department of Alberta Recreation Parks and Wildlife, Sturgeon Regional Recreation will be sponsoring a Sports and Athletics Workshop January 21, 22 and 23 at Camp He Ho Ha.

The workshop will upgrade the teaching, and the basic skills in curling, hockey, cross country skiing, badminton, physical fitness, hunter training, use of winter recreational vehicles, winter camping and fly-tying.

UNDER THE MD's road program for this coming year, according to MD officials, the Villeneuve-Westlock road, SR 794 will be a top priority road for grading and servicing. A brief is expected to be drawn up for the Highway Minister on other MD priorities, relating to gravel haul roads and roads to industry.

FOLLOWING A LETTER of complaint on the condition of a section of road at 142nd Street north of 137th Avenue, the MD has indicated it will consider the request for a higher level of maintenance on the road.

Some regular users of that road are the Victoria Soccer Club and up to 850 members of the Loyal Order of the Moose.

WHILE PAVING OF an access road to a Federal Penitentiary, under construction in the MD near the Sharpe Farm site may be deferred till the fall opens in 1978, the MD may be faced with having to maintain the road till that time.

There has been a request from the Canadian Penitentiary Service to have the road serviced as access could become "impossible in the spring."

The MD will send a letter to the Canadian Penitentiary Service indicating its "short and long term" plans for the road.

THE MD wants more information before it gives the Village of Bon Accord permission to acquire (by expropriation) one acre of land for a sewer lagoon extension for the community.

MD COUNCIL GAVE FIR- ST reading to bylaw #243-76 relating to the Cardiff Echoes residential development. The bylaw is an amendment to General Plan bylaw 160-72 and the amendment would rezone NE 23-55-25-W4 from agricultural to residential use.

Morinville scraps St. Albert sewer tie-in; looks at alternative

The MD of Sturgeon has indicated strong support for Morinville trying its luck on an alternative to a \$3,985,000 tie-in with the St. Albert sewer system.

At the end of his tether because three way negotiations between St. Albert, Morinville and the MD had finally not produced Mayor Art Stapleton's dream of the tie in with the St. Albert system, Mayor Stapleton has decided to go another route.

And in typical caustic style he expressed the hope that progress on a \$1 million sewage treatment system would proceed without snags, otherwise it would be "honey buckets in the out-houses" time for Morinville.

The decision to go for the cheaper alternative came at the regular council meeting of the MD of Sturgeon January 13. This was after Morinville, at a special council meeting January 5, had voted to have the meeting with the MD January 13. Morinville has also indicated that it will seek permission from the Department of the Environment for a second dumping of its sewage lagoons in August or September of 1977.

In a motion carried at the end of the MD meeting January 13, the MD confir-

med its support for Morinville going ahead with the plan for the new treatment plant. From that plant treated sewage will be dumped into Manawan Canal which has seen massive widening and improvements recently.

If Morinville had gone with the St. Albert sewer line tie in, presuming that its population had grown from its present 2,000 to 25,000 at the end of the century, it would

MLA by-pass plan wins MD acceptance after fiery exchange

The need for a new by-pass of St. Albert to divert north and southbound traffic from a crowded St. Albert Trail surfaced at the regular council meeting of the MD of Sturgeon January 13.

The MD council had invited MLA Ernie Jamison to discuss a proposed by-pass road for St. Albert and other road matters. Mike Rogers of B.A.C.M. had also been invited to attend the MD development meeting on the matter of their application for annexation of MD land into the northwest sector of St. Albert.

Mr. Jamison outlined the basic route of an alternate hard surfaced road to relieve the traffic congestion on Highway 2. He noted that given St. Albert's present population of 24,000 and indications of considerably more growth, alternatives had to be found soon. Roads should be put in place before further major developments. The MLA said, adding that the area to the east of St. Albert posed a real problem for providing access to Edmonton, since Edmonton was not presently considering construction of the roads necessary to absorb traffic from the north on the east side of St. Albert.

Therefore Mr. Jamison felt it was better to plan an early start on a by-pass road to the west of St. Albert. He told the council that hard surfacing of 156th Street, 170th Street and 137th Avenue was in the provincial road program this year.

The MLA said he had also recommended to the minister that 137th Avenue hard

surfacing be extended west from 170th Street to a point 250 feet past the 184th Street intersection. He had asked the department to complete this mile plus 250 feet on 137th Avenue this year. A new road could then be constructed next year, said Mr. Jamison, straight from this point to the Sturgeon River (at St. Albert's old lagoon site).

Mr. Jamison also said that he would be recommending to St. Albert council in the near future that they consider an underpass of the CN tracks at the corner of Sir Winston Churchill Avenue and Riel Drive. He noted that Riel Drive should be hard surfaced and connected to the proposed new by-pass at the lagoon site. This would well serve the present industrial area of Riel Drive, said Mr. Jamison, and create a new industrial area west of the CN tracks. This plan said Mr. Jamison would alleviate truck traffic through residential streets in St. Albert and nullify the widening of Grandin Road and of Churchill Avenue from Riel corner to Levasseur.

The west by-pass road, given the sanction of MD Sturgeon and St. Albert councils, said Mr. Jamison would cross the Sturgeon River at the former lagoon site, and intersect with River Road 633 and McKenney Avenue at about a mile north of the river crossing.

From the intersection of McKenney and secondary road #633 the proposed road could then be extended in various ways to connect with the Villeneuve Road. Mr.

Jamison said his original concept was to build this section of the road on the west boundary of the BACM property in MD Sturgeon. He showed a map of this plan bringing the new road from the McKenney Avenue extension to a point just west of the Sturgeon Heights school.

But although the MLA emphasized, "This is only an idea, accept, reject, or alter it," there was some opposition to the by-pass from members of the MD council.

Long after both Mr. Jamison and Mr. Rogers had left the meeting, Sturgeon School Division representative Lois Hole pointed out she was not for the by-pass. More particularly, she said she was not for the proposed annexation of about 1900 acres of land northwest of St. Albert. She said a brief would be presented on this at the Local Authorities Board hearing in St. Albert February 8th.

Mrs. Hole said she objected to Sturgeon being carved up from all directions, while the by-pass might bring more traffic close to the Sturgeon Heights School.

While varying opinions were expressed on the by-pass concept, the advantages of it would be that traffic from residential areas abutting McKenney Avenue would have a viable alternative to the St. Albert Trail as they headed for Edmonton.

Traffic from Westlock, Morinville, and other points north and west of St. Albert would be able to get to 137th Avenue and beyond on the by-pass.

Councillor Lawrence Kluthe seemed vexed at the suggested by-pass plan presented by Mr. Jamison.

"I see here a commitment by yourself on behalf of BACM to eventual inclusion (of land) into St. Albert," he said.

Earlier Mr. Jamison had outlined how the Provincial Government would be responsible for constructing the road from 137th Avenue to the St. Albert sewer lagoons. From there up to the Villeneuve Road would be a joint effort between Government, City and Developer.

He pointed out, in the context of BACM coming out positive in the upcoming Please Turn to Page 29

have been faced with treatment costs of three quarters of a million dollars a year.

Another alternative which still remains open to Morinville is an outfall line to the Sturgeon River eight miles away, costing \$4,003,000. But that could only come into being when Morinville has tripled its size.

Mr. W. Montgomery for Associated Engineers says that firm has been looking at section 35 east of Morinville

and section 26 south as possible sites for the location of the treatment station.

Another section mentioned was 31, two miles east of the Manawan ditch.

If the effluent is not dumped in the canal, it could be piped southeast along the railroad, where the canal becomes a water course north and west of Carbondale.

Reeve of the MD Bill Please Turn to Page 29

Increased Provincial support for building schools

A Department of Education press release has announced increases in provincial support for new school building construction. Rates for permanent construction for buildings up to 4,000 square feet has risen from \$30.50 to \$33.50; for buildings of 4,001 square feet to 8,000 square feet from \$29.50 to \$32.50 per square foot; buildings of 8,001 square feet and up will enjoy an increase from \$26.50 to \$30.00.

Core schools will receive an increase in provincial support from \$30.50 to \$32.50. Free standing portables will receive provincial

support increase from \$18 to \$19 while core school portables will receive a support increase from \$19 to \$20.

The new rates are for school buildings for which tenders were approved for the period from July 1, 1976 to December 31, 1976 inclusive.

LOCAL APPLICATION

Locally, these increases will have some effect on new school building construction. Mr. Frank Robinson, superintendent for Sturgeon School Division #24 said the new support rates will reduce the unsupported costs of the new

Namoo High School, as the construction qualifies for the new rates for permanent construction. The new building is expected to be 86,000 square feet, which qualifies it for increased provincial support of \$3.50 per square foot. Mr. Robinson said the exact saving had not yet been computed.

Also affected will be a small permanent extension at Bon Accord, which falls in the 4,001 to 8,000 square foot category, and entitles increased provincial support of \$3.00 per square foot.

The district's project at Horse Hill is also expected to benefit, although the in-

crease per square foot for plug-in portables is only \$1.00. Mr. Robinson said he didn't feel this increase matched the corresponding rise in construction costs, and commented that "the increasing burden of unsupported costs will have to be borne by the ratepayer."

Mr. Robinson also added that although these increases were announced in the press release, that the minister was six months late in his announcement. He also said the announced increases would not be official until the pertinent regulations had been changed.

MLA

Cont'd From Page 28
annexation proposal (before the LAB February 8), that BACM would make land available for major arterial road development.
Mr. Rogers commented that he was not worried if the

by-pass went right through, or to the west or east of the BACM land, and he added, "We will insure the new community pays for itself."
Mr. Rogers told the MD that, "What you look for, Sherwood Park has now," and earlier he said he'd rather see a by-pass east of St. Albert. However Mr.

Rogers agreed with Mr. Jamison that the west by-pass could be set in motion now, whereas an east by-pass presented troublesome complications.

DANGER OF CUTTING OFF ACCESS TO NORTH

Mr. Kluthe feared that

with both Edmonton and St. Albert promising more residential growth, there was a real danger of blocking off "access to northern Alberta."

Mr. Jamison reminded Mr. Kluthe that from January 1st, 1978 St. Albert would have jurisdiction over Highway 2 within St. Albert boundaries. This, he told Mr. Kluthe, could have a big effect on heavy gravel truck traffic from the Villeneuve pits.

Mr. Kluthe swung into the offensive again. "If St. Albert puts in truck controls for their benefit, what is to stop the MD saying we will not allow trucks on our roads?" Industry and commerce could be ground to a halt with this kind of approach said Mr. Kluthe.

The by-pass, which is still only a concept, as was emphasized often by Mr. Jamison, also has a bearing on the growth of Morinville to the north.

Mr. Jamison pointed out there would be benefits to MD residents in that people living west of Highway 2 and Highway 794 could get to

East Edmonton and Edmonton Centre without going on Highway 2 through St. Albert.

Mr. Kluthe replied that while he could see benefits, the by-pass would not do much good for anyone north of Edmonton, as there was no connection of the by-pass with Highway 2. Mr. Kluthe could not see the by-pass helping out the growth problems of Morinville.

"If Morinville goes ahead without roads going in we'll have more problems than we can possibly handle," Mr. Jamison suggested.

"This road is only a suggestion, if you don't want it, it won't get built," he added.

He also maintained there had to be roads (built) before there was any annexation to the east, "otherwise we'll drive people to the mental hospital."

Reeve of the MD Bill Flynn was of the opinion that if the road took the pressure off Highway 2, "it might be something worthwhile."

Reeve Flynn also suggested that the by-pass might be brought further east so that there was less problem in

diverting traffic from Highway 2.

Referring to the BACM annexation, Councillor Walter Van de Walle said the by-pass would be great for St. Albert; and that while the by-pass was needed, he added (it was time to) "Stop giving lip-service to land use in Canada ... when we have good agricultural land it should stay as good agricultural land."

Mr. Rogers later told council that his company would have a considerable surplus of black loam which they would make available to help reclaim the gravel mining operations in the Villeneuve area. He suggested the reclamation should use at least one foot of loam.

Mr. Kluthe also said if the by-pass was the only alternative that was fine, but he was not in favour of seeing (arterial) roads being developed in a residential framework.

Later in the meeting, the MD decided to give the by-pass their approval, provided "such a diversion was on the immediate west boundary of St. Albert."

Vimy News

By Lea Limoges

Mrs. Barbara Henderson visited her parents Mr. and Mrs. Shepherd in Calgary recently.

Mrs. Guimont, grandmother of Rachel Regimbald passed away in the Sturgeon Hospital in St. Albert on January 6th, 1977. Our deepest sympathy to the family.

Lucille and Leo Ringuette are pleased to announce the safe arrival of their wee daughter Corinne Eva on January 4th in the Sturgeon Hospital weighing 5 lbs. 7 ozs. Congratulations!

January 28th at 8 p.m. the Vimy Community League will hold its annual meeting. Election of new hall board members will take place so make an effort to attend.

The Regional Recreation Board will hold its February

alternative

Cont'd From Page 28
Flynn, not wishing to make an open commitment about which section the MD is looking at, says the MD may buy a quarter section, and own it with Morinville on a 50-50 basis.

Mr. Montgomery suggests, in the event of a lagoon being chosen over the other facility, 160 acres will be preferable for a population of over 6,000 people.

Mayor Stapleton said Morinville could run into flack [about the proposed alternative] at the Edmonton Regional Planning Commission but did not expect this to be serious.

Mr. Montgomery added that [initially] Morinville might go for a standard lagoon for 4,500. If all goes well the lagoon could be operating by late fall this year.

Reeve Flynn pointed out that it will depend on the Department of the Environment [whether the plant will get the go ahead.]

Mayor Stapleton told MLA Ernie Jamison that he was going to have to work hard for Morinville's alternative plan - as well as for transport, water and education issues in the town.

Reeve Flynn sees the alternative sewer system for Morinville as tying into a regional system with Legal to the north.

All this growth for Morinville is in the time scale of now till 2000 A.D. - a time which Mayor Stapleton feels is rolling towards us "faster than it used to."

A local developer Ken Richardson who came into the meeting later said [sewage systems] could go to irrigation, and so prevent the dumping of effluent into the Manawan ditch.

meeting in Vimy. Everyone is welcome to attend, a good chance to find out what courses are available in our community. That's on February 1st at 8 p.m. in the Vimy Hall. Coffee and lunch will be served.

Roland, Lea and Jocelyn Limoges were recent visitors in Chauvin at the home of Lea's parents, Mr. and Mrs. Delemont.

Rapeseed president strong against freight rate changes

Walter Van de Walle, president of the Alberta Rapeseed Growers Association has taken a strong stance against freight rate changes in a news release issued prior to the Association's annual meeting in Edmonton January 20 and 21.

The subject of freight rates is expected to be a major concern with the viable operation of crushing plants and the entire rapeseed industry threatened by increased rates that were announced early last year and have since been postponed.

Mr. Van de Walle of Legal, said a strong stand has been taken in opposition to the freight rate changes. Crush-

George is very pleased to announce the arrival of his long awaited baby brother on January 14th. Proud parents Irene and Paul Regimbald.

ers and producers have cooperated, he said, in seeking continuation of the delay in implementing new rates until after a review of the reports of the Snavely and Hall commissions on various aspects of Canadian transportation.

The depressed price situation and outlook in the spring of 1976 caused Canadian rapeseed producers to cut seeded acreages by 50 percent to two million acres. Alberta yields increased by 20 percent to 20.5 bushels per acre.

It is expected that if present price relationships between rapeseed and cereal grains persist, rapeseed planting in the spring of this year will exceed last year.

meetings on Tuesday evenings at 7 p.m. at the Community Hall.

If any group wishes the Scouts to do some service work, please phone 923-2120

Gibbons Seniors hold annual meeting

[Gibbons Senior Citizens]

The Last Round-up held a meeting on January 13, 1977 in the Legion Hut. President Emily Oliver was in the chair and reminded us this was the annual meeting and election of officers. Secretary, Sheila Crosbie called the roll, to which 32 members answered. This was a pleasant surprise to have so many turn out when the weather and roads left much to be desired.

Emily then called on Sheila to give a resume of the year's activities, the finances, etc. Seconded by Lillian Austin that this report be adopted as read; carried. Sheila then read the minutes of the Last annual meeting held November 13, 1975. It was moved by Sheila, seconded by Jim Shaw that they be adopted as read; carried.

There were a number of business items which should be dealt with Brian Leader's grade 4-5 pupils wish to attend a meeting and prepare lunch for the seniors. February 10 was suggested and approved. Mrs. Bell would like to show her slides of Newfoundland. January 27th was suggested and approved.

There was a Christmas card from Murray and Avis Legate which came the day after our Christmas party.

Reg Austin read the report of November 26 meeting of the Sturgeon Senior Citizens advisory board. Cathie and Emily attended.

Emily extended thanks to various individuals and committees, the members for their support during her term president, the lunch and entertainment committee of Cathie Shaw, Aurore Lam-

oureux and George Knight. A special thank you to Sheila Crosbie for the capable way she handled the finances and the very well put together reports of our meetings, she has sent to the Gazette. A special thanks to the ladies of the Gibbons Sunday School Circle for sending us such lovely birthday cakes every month. Thanks to the Legion for the use of their hut for our meetings. Many thanks to members who have given gifts. Emily then vacated the chair to Dan Bevington to conduct election of officers. After it was all over the following had been chosen - President - Emily Oliver, Vice-Pres. Don Bevington, Sec. Treas. - Sheila Crosbie. Sheila agreed to carry on for another year on one condition, that someone take over the phoning. She suggested

Katie Brandle, who was agreeable. Lunch and entertainment committee is Cathie Shaw, Aurore Lamoureux, George Knight and Lillian Austin. Stan Mabbutt withdrew from the Hall Board. Don Bevington agreed to replace him.

Reg suggested now that work is going ahead on the Lodge, we should start thinking about our "Drop-in Centre" which we will have to furnish ourselves. A committee of Lillian Austin, Eula Mabbutt and Aurore Lamoureux was appointed so they will be ready to act when the time comes. A delicious lunch was provided by Almie Knight, Vera Hostyn and Myrtle McCrimmon.

Played a few games of bingo to use up the left over grocery prizes.

Gibbons Seniors lose two close ones

By Ron Coley

The Marlo's travelled to Morinville January 11 where they lost a real close game 7-5. From all reports the game was very fast and entertaining. Scoring for the Marlo's were Lloyd Christie with two, Lockie Christie, Rick Heimstra and Larry Craig.

On Friday, January 14 the boys played in Legal, there they lost a real heartbreaker 6-5. Legal went ahead 2-0 in the first period, the Marlo's came storming back in the second, scoring five goals. Only to have Legal score two more. In the third period Legal scored two goals. The Marlo's pulled their goalie,

but were unable to get the tie. Scoring for Gibbons were Jack Veenstra with two, Lockie Christie, Larry Craig and Kelly McAvoy with one each.

On Sunday afternoon the Marlo's were at home to the Alexander Braves. The game wasn't much of a contest, with the Marlo's winning 10-2. The score really could have been 20-2, as the boys from Gibbons put more pucks off the goal posts and crossbar. Leading the way for the Marlo's was Tim O'Neill, who by the way just returned from Hawaii Saturday. Tim scored four goals and two assists, the remainder were scored by Lloyd Christie and Kelly McAvoy with two goals each, and Jack Veenstra and Larry Craig with one each. Bill Porter had five assists.

The Marlo's next home game is Sunday, January 23rd at 2 p.m.

STURGEON SCHOOL DIVISION NO. 24 REQUIRES

STENO - TYPIST I

Applications are invited for a full-time Steno-Typist I position for the Central Office in Morinville. Duties to commence February 15th, 1977. Competency in typewriting, general filing, clerical skills and duplicating machine operation required. Answering and relaying telephone calls as well as counter receptionist included in duties.

Applications in writing, with references, will be received up to February 4th, by

Mr. C. Krauskopf,

By Connie Maurier
A reminder to all members of the Legal Knights of Columbus Council that they have a meeting Thursday, January 20 at the Recreation Centre at 8 p.m.

The Legal Oldtimers 2nd annual hockey tournament will be held January 29. Each player is now selling tickets to anyone wishing to attend the banquet and dance to be held after the final game of

the tournament. Proceeds will go towards the "Ice Resurfacing Machine." Your support is greatly needed so do not forget this important event.

Bernice's Highway Cafe is now opened to give you good food and fast service. Bernice is still hiring short order cooks, if interested call her at 961-3960 at your earliest convenience.

The Legal Shaver "A" and "B" teams each played a game with the Westlock "A" and "B" teams in Westlock Saturday, January 15. The A's won 5-0 the B's lost 3-1.

A large number of friends and relatives gathered at Maurice and Agnes Montpetit's new home for a surprise housewarming party Friday, January 14. Maurice and Agnes have been re-

siding in their new house for a couple months already. Congratulations to both on their lovely home.

The Village Council and staff enjoyed a catered supper at Taylor's Restaurant Saturday evening January 15th followed by a party at the Village office. This was their Christmas celebrations.

The Shaver "B" team has a game scheduled for Saturday morning 9:30 a.m. with the Gibbons "B" team. Following this game the "A" Shavers are playing a team from Edmonton.

On Monday, January 10 the Legal girls hockey team played to a 3-3 tie with the Redwater girls hockey team. Scoring the goals for Legal were Marie Letourneau, Loretta Fizer and Michelle

Pelletier. The coach, Cameron McKay is satisfied with the girls progress in learning to play hockey but is certain that they will improve with more practices and more games.

Artex painting classes available at Carmen Morin's. Contact Carmen 961-3869 at earliest convenience. Limit of six persons per class. Schedule to be arranged according to number of persons interested.

Legal Senior Hockey

By Denis Nault
Well fans, great isn't the word! It's terrific ... This week, Legal added two wins and a tie to their standings, plus three players. After recovering from injuries, Red Pelletier, and Pete Van Brabant are back in action and looking good. Another welcomed addition is the well known ex-Westlock Eagles player, Leo Provencal. The opposition is 'hot and heavy,' and according to Manager Claude Maurier, we're ready

for it. January 11, Bon Accord tied Legal 5-5 in what the opposition can attribute to a being a lucky break. Goal-scorers for Legal were Don Mills, Denis Chamberland, Louis Martineau and Leo Provencal with his first two goals for us.

Gibbons, an always tough team, lost to us 6-5 on January 14. In what seemed like a touch-and-go game all the way, six different players rammed our goals in. They

were Pete Van Brabant, Don Mills, Bob Pelletier, Darcy Brisson, Ross McKenzie and Leroy Coulombe.

Sunday, January 16 Legal defeated Bon Accord 6-2 in a fast, well played game. Our new acquisition, Leo Provencal scored two goals, Denis Chamberland, Darcy Brisson, Ray de Champlain, and Louis Martineau added singles.

Top scorers for Legal are as follows:

G A
Denis Chamberland .. 15 13
Darcy Brisson 9 17
Bob Pelletier 9 14
Don Mills 9 4

Next games for the week are as follows: Friday, January 21 - 8 p.m., Legal at Namas (in Gibbons); Sunday, January 23 - 2 p.m., Riviere Qui Barre at Legal; Tuesday, January 25 - 8 p.m., Onoway at Legal.

See you next week!

Sturgeon Recreation Report

PROGRAMS FOR CHILDREN/TEENS

Babysitters Safety Course: A course sponsored by the Alberta Safety Council to introduce babysitters to the basics: ethics of babysitting, child care, first aid, fire and safety. Age limit 10 years of age and older. A pre-registration will be held Wednesday, February 2nd, 1977 - 6 p.m. at Bon Accord Hall and 7:30 p.m. at Legal Recreation Centre. To pre-register contact Sturgeon Regional Recreation at 939-4317 or your community contacts.

Poise Plus: A six week self improvement course for teens. Sessions will include wardrobe planning, make-up

haircare etc. A registration will be held Tuesday, February 2nd, 1977 - 7 p.m. at the Sturgeon Regional Recreation Building in Morinville. To pre-register contact Sturgeon Regional Recreation at 939-4317.

Fun with Puppets: A seven week course for children ages 6 - 9 will commence Monday, February 14th, 1977 at the Sturgeon Regional Recreation Building. To pre-register phone 939-4317.

Copper Enamellings: An eight week course for teens will commence Wednesday, March 2nd. To pre-register contact Marie Broda in Legal, 961-2442 or 939-4317.

Mr. Ed Leminski, president of the Sturgeon Valley Community League accepts a cheque for \$4,849.50 from Mr. Jim Kyle, chairman of the Sturgeon Regional Recreational Council on Monday, January 10th. The cheque, part of the Major Cultural/Recreation Facility Development program, is to be used for renovations to the Community Hall.

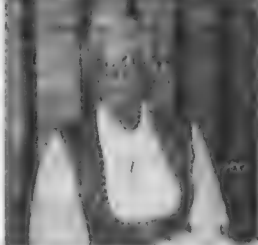

Emma Guimont passes at 81

By Connie Maurier
On January 6, 1977, Mrs. Emma Guimont (Cloutier) of Legal passed away at the age of 81. She was born June 20, 1895 in Quebec, Alberta. In the year 1918 she was married to the late Albert Cloutier. They had moved to

Picardville in 1924. In 1970 she married the late Octave Guimont while residing at the Legal Chateau for senior citizens. She leaves behind four sons and four daughters, Benoit Cloutier of Dawson Creek, Alfred and Gaston Cloutier of Edmon-

ton; Paul Cloutier of Girouxville; Mrs. (Simone) Maurier and Mrs. L. (Jeanne) Maurier of Legal, Mrs. R. (Louise) Roby of Girouxville and Mrs. D. (Rose) Savard of Legal. Also 57 grandchildren, 58 great grandchildren and two great great grandchildren.

A mass was held in Legal officiated by Rev. Bissonnette and prayers were held in Girouxville. Reverend Prieur and Rev. Desrochers celebrated a mass of Christian burial and the interment followed in the Girouxville Cemetery.

EMMA GUIMONT

The family wish to express special thanks to the three Reverends, the MFC ladies, and all the friends and relatives for their kind gestures and donations.

Morinville Memos

By Marg Bentz

Congratulations are extended to winners of the Morinville Board of Trade Christmas decorating contest. First prize in the commercial category went to the Royal Bank, with the Morinville Fire Department taking second, and honorable mention going to Morinville Hardware and Macleod's store. Residential first prize winner was Mr. and Mrs. E. Romans residence and second place went to Mr. and Mrs. Allan Parko residence. Honorable mentions in this category went to Mr. and Mrs. Len Lavoie residence and Mr. and Mrs. E. Carlson residence.

Senior Citizens of the Rendez-vous Club are holding their annual meeting tonight, January 19, at 8 p.m. at the Clubhouse. All members should attend.

A Babysitter's Safety Course is starting tonight, January 19, at 7 p.m. at Sturgeon Regional Recreation and is offered to children 10 years and older. For more information phone 939-4317.

Pottery for children aged 6 - 12 will begin on Thursday, January 20 from 6 - 8 p.m., at the Sturgeon Regional Recreation. Fee for the eight week course is \$7.50 and

includes some materials.

Morinville Board of Trade held an election of officers on December 6, 1976. Results are as follows: President, Dr. P. Underwood; Vice-Pres., Lloyd Kachman; Secretary Treasurer, Anne Kryskow; Directors: Len Jubinville, Henry Lameroux, Doug Miller and Larry Hesse. The membership of this board is not restricted to the business or professional people only, it is for any resident who is interested in their community. Membership is only \$15 a year and supper meetings are held the first Monday of every month.

The Morinville Signal Kickers (not Tickers as was previously stated) CB Club wishes to announce that a club has been formed and open to membership. Anyone wishing to join may call Lena Keith (Bingo base channel 11 or 19) or phone 939-4651. Coffee breaks are held every Sunday afternoon at 3:30 p.m. at 10010 - 104 Street in Morinville.

Belly or Lebanese dance classes will be starting tonight, January 19 from 8:30 - 10:30 p.m., at Sturgeon Regional Recreation. Registration will start at 8:15 p.m., and the fee is \$10.50. Phone Brenda Wr-

ight at 939-4751 on Mondays, Wednesdays or Fridays or any evening after six.

Reader's co-operation in telephoning or bringing in

news items is much appreciated. Please phone 939-

4145 or stop in at 9901 - 99 Avenue.

Namao upsets Morinville - breaks win streak

By Marg Bentz

Morinville Motors Senior Hockey Club had an unbeaten streak snapped at 14 when the Namao Sallcats tripped them 9-6 last Friday evening in Gibbons. However the Motor Men shook off the loss and returned to form Sunday afternoon when they downed visiting Onaway Blazers 11-6. In previous action the Seniors had trimmed Gibbons 7-5 (Tuesday, January 11).

Morinville pucksters opened Tuesday's game with a flurry of goals (three in the first five minutes) and ended the first period 4-2 on markers by O'Neil Chevalier, Marinus Parevliet, Wayne Miller and Randy LaBelle; assists went to Dex Dersch (2), Carol Royan, Marcel Tourangeau, Jack MacAskill and Norm Bohl.

The second stanza was a 2-2 draw scores going to Carl Royan and O'Neil Chevalier while the third frame also was even (1-1), Jack MacAskill getting the point while assists went to Dersch, Don Pruss and Wayne Miller. Lloyd Christie, Lockety Christie, Rick Veamsra and Larry Craig handled Kodiaks scoring chore.

Friday night's upset came about on 3-3, 6-5 Namao and of course 9-6 period scores. Richard Wright, Norm Bohl (2), Marcel Tourangeau, Jack MacAskill and Randy LaBelle netted the scores in the losing cause.

Sunday afternoon's crowd pleaser saw the red lights blinked a total of 17 times. Dex Dersch piloted the Motor Machine with a well earned hat trick and an assist while Carl Royan, Wayne Miller and Jack MacAskill got pairs and John Balsille and Don Pruss picked up singles, enroute to the lopsided victory. Wayne Miller also picked up three assists as did John Shrum and Marcel Tourangeau. Richard Wright got a pair and single points for helpers went to O'Neil Chevalier, Norm Bohl, Carl Royan, Jack MacAskill, Al Bentz, Don Pruss, Randy LaBelle and Terry Maslyk. Motor Men outscored the Blazers 4-1, 3-2 and 4-3 in respective periods. Paul Dupuis handled Morinville's net duties. Morinville's team will leave on an extensive road trip, (started on Tuesday at Calahoo) that will not see them return to our Hockey Palace until January the 30th when they will host the Braves.

JUVENILE TOURNAMENT

Morinville's Juvenile hockey team will host an invitational tournament this Friday, Saturday and Sunday. There will be two teams representing St. Albert and one each from Gibbons, Redwater, Athabasca, Stony Plain, Edmonton and Fort McMurray. Action is scheduled to begin Friday at 6:30, then resume Saturday morning at 10:30 until 10:30 at night, while Sunday will go from nine till nine. Admission will be \$1 for adults, 75¢ for students and 50¢ for children. These charges will entitle full day viewing privileges and as such have to be the entertainment value of the season. Morinville has a strong contingent in the Juvenile category and should do very well especially if they can bring their tempers under control for this event.

MINOR HOCKEY

Cinq Concrete Mite A defeated Gibbons 6-0 on Saturday, January 15, on goals by Mark Carleton 3, Sheldon Bland 1, Neil Bokenfohr 2, Roger St. Laurent was back in goal after his stay in hospital. Darren Ellis was also back playing after his stay in hospital. On Sunday, the boys whipped Thorhild 22-0. Dean Volmer received the shutout.

Mite "B" defeated St. Albert on Friday, January 14, 6-2 on goals by Jay Enright 3, Pat Krauskopf 1, Jerry Lalonde 1 and Jeff White 1. On Saturday the boys whipped another St. Albert team 16-0. Goal scorers were Casey Bentz 5, Pat Krauskopf 3, Jay Enright 3, Jeff White 2, Jerry Lalonde 1, Darrin Pezer 1 and Glen Witter 1.

Peewee A played an exhibition game against St. Albert Pacific 66 last week and won it 4-3. They also played a league game against Thorhild and won 15-0.

Peewee B played two games winning 5-4 against St. Albert and tying 3-3. Goals were scored by Jimmy Turner 4, Mike Cassidy 2, Mark Edwards 1 and Murray Johnston 1.

Bantam A played Sherwood Park Bantam B January 14 and won 7-3. Goals by Larry Hunter 1, Marty Hooper 1, Dan Black-

burn 2, Jamie Kryskow 1, Kory Stevens 1 and Lorne Bokenfohr 1. On January 12, the boys played Edmonton K.C. Columbians AA and lost 2-0. The team lost another close game on Sunday, January 16, against Barrhead 4-2, with goals by Brent Noyes and Dan Blackburn.

Morinville Goodtimers were dropped 14-1 by a visiting City team Sunday evening in a game which cost the services of two of the happy gang, Rene Chevalier a possible broken finger and Bob Pearson some undetermined injury which has raised the possibility of activating their secret weapon Rolly Belanger and or coach Roger Blackburn. Roger Tourangeau picked up the lone goal in the losing

cause.

CURLING

The Morinville Ladies curling club will have their annual curling bonspiel January 21, 22 and 23. They will have 32 rinks participating with a smorgasborg, Saturday afternoon.

The ladies Wednesday evening league have finished their first square draw with Jean Beaupres rink coming out on top. Congratulations to Jean Beaupre, Hazel Velynck, Terry Holt and Georgie Davies. The Tuesday afternoon league's first square draw was won by Alice Borle, Celia Kruse, Margaret Rousseau and Ruby Bokenfohr. Congratulations girls and keep up the good curling.

798 sign petition for Morinville pool

A new swimming pool may be in the offing for Morinville residents, pending further investigation of the proposed project by the Morinville Recreation Board. A survey conducted by the Morinville Board of Trade found 798 citizens in favour of the facility, and a petition bearing the signatures of

those in favour was submitted to the Recreation Board for further study.

The Morinville Recreation Committee has changed its name to the Interclub Committee and will hold its first meeting under the new designation at the Cunningham School, January 20 at 8 p.m.

Namao News

By Norma Crozier
FIRE DESTROYS CLUBHOUSE

The official opening of the new clubhouse at the skating rink at Namao School which was scheduled for Friday, January 14 had to be postponed due to an unfortunate fire on January 13. The new building, built by volunteers from the district was completely gutted. Skating at the rink will resume as soon as the debris can be cleaned off and the ice re-surfaced. A vote of thanks is extended to the fire departments at Gibbons and the Namao Air Base for a good job in putting out the fire and preventing it from spreading to the school and the portables nearby.

Namao United Church's annual congregational meeting will be held on Sunday.

January 30 in the Community Hall, following the morning service. Lunch will be served prior to the meeting. Everyone is welcome to attend.

Namao UCW met at the home of Mrs. Dorothy Stanton of St. Albert on January 12 for their annual meeting. A new slate of officers was installed, President, Mrs. Shirley Ward; Vice-Pres., Mrs. Norma Crozier; Secretary, Mrs. Gladys McLay; Treas., Mrs. Daisy Craig; Flowers & Cards, Mrs. Alma Paul; Manse Rep., Mrs. Isabel Crozier. Plans were made for the year's program for the group after which Mrs. Stanton and her co-hostess, Mrs. Barbara Horricks served a delicious lunch.

Mrs. Gladys McLay and Mrs. Ruby Gibson are back home from a two-week bus trip to California and Mexico. They report the weather was a bit disappointing with rain at many stops.

Mr. and Mrs. Art Yeske enjoyed a trip to Hawaii during the holiday season.

Congratulations to proud grandmother Mrs. Vera Huber on a new grandson, born to Francis and Donna Huber of Whitecourt, Alberta. Robert Lea was born on January 5th and weighed in at 8 lbs. 7 ozs., a little brother for Denny Michael.

Snowmobile rally arranged for Bon Accord

By Sadie Allen

The annual meeting of the Bon Accord and District Agricultural Society will be held in the auditorium of the Bon Accord Community Centre on Monday, January 24 at 8 p.m. Refreshments will be served following the meeting. A discussion on the \$500 Poker Hand snowmobile rally will be held. The Rally will be held on February 27 (weather permitting). Total mileage will be 25 miles with five check-points for the card draw. Registration of entrants will be held at the Bon Accord Arena starting at 10 a.m. with no registration later than 12 noon and no return later than 3 p.m. Registration is \$5 per person and is not limited to one person per machine. The machine operator must be 14 or older. The winning poker hand wins \$500.00. In case of a tie, prize money will be divided. Official decision is final. The concession booth will be open upstairs in the arena.

This is not a race! The object of the rally is to promote safe, organized snowmobiling for individuals and family. Entrants must adhere to rules and regulations and respect the property of others. For pre-registration and information, by letter or telephone, contact Pat Reichle, R.R. 1, Bon

Accord, Alberta, TOA OKO, phone 921-3535. This rally is being sponsored by the Bon Accord and District Agricultural Society.

The Roman Catholic Women held their first meeting of the new year at the home of Alma Pearce on January 10. Plans were completed for a White Elephant sale to be held in the Bon Accord Community Hall on Saturday, January 22 from 3 - 5 p.m. Coffee and doughnuts will be served. Donations from the community will be gratefully accepted. This is an opportunity for your post Christmas clean-up as the club will accept everything you no longer want, or need. Please leave your donations with Rose Ruth, 5053 - 48 Avenue, or Geri Hecker, 5213 - 51A Avenue (Springbrook) or phone 921-3931 or 921-3805 for pickup.

The World Day of Prayer will be hosted by the Roman Catholics this year and will be held in Sacred Heart Church at Gibbons on March 4 at 7 p.m. This is an interdenominational service and everyone is invited to attend. The next meeting of the R.C.W. will be held at Mary LeBlanc's on February 7th at 8 p.m. All ladies are asked to please attend. Publicity for the R.C.W. is reported by Mrs. Rose Ruth.

The Golden Gems Seniors will meet on Tuesday, January 25 at 1:30 p.m. Card bingo with prizes will be played and seniors are cordially invited to attend. The club would like to thank the residents of Bon Accord and Gibbons for their fine support of their sale of lottery tickets with a special thank you going to super salesman Katie Brandle and Alvin Tupper, club representatives in Gibbons.

Sincere sympathy is extended to the Danake families who recently suffered the loss of their mother, Mrs. Rose Danake and to Mr. and Mrs. Dave Wyness for the loss of Dave's father.

The Wildcats suffered two defeats this week losing out to Onoway by a 8-5 score and bowing out to Legal by 6-2. Two homes games are slated for January 21 and 23 when the home club will host Gibbons and Namao.

Page the Cleaner will resume house to house pickup in the village -- pickup days on Mondays and Thursday afternoons. This is a much needed service and deserves your support.

The United Church Women are planning a Valentine's Tea for February 12th at 2 p.m. in the church basement. A home baking sale will be held in conjunction with the tea and donations of baking will be gratefully accepted. Babysitting services will be provided upstairs during the tea. Advance tickets are available from UCW or church members. The next meeting of the UCW, evening branch will be held in the church on February 10 at 8 p.m. Guest speaker will be the Reverend Mr. Black. Slides will be shown.

The Bottle Drive for the Ambulance Society was postponed from the 15th to January 22nd, due to inclement weather.

The peewee and mite hockey clubs are sporting new uniforms due to the generosity of Crown Catering who provided the peewee uniforms and Ramstad Trucking, Pawlechko Backhoe, Shenfield Trucking and Neil Flynn Esso Service, St.

Albert, who donated the mite uniforms. A sincere thank you and a pat on the back to you all.

The Golden Gems Senior Citizens Club are most grateful for the good response to their appeal for salvage paper. The paper depot at the home of Hugh Allen is always open. PLEASE TIE newspapers separately. All other types of paper may be tied, in boxes or bags.

VARIETY NITE PLANNED

A variety night is planned for Friday, February 4 in the Bon Accord Community Centre. Co-ordinator for the program is Pat Reichle, 921-3535. So far a number of short skits and a fashion show are planned for the program. If you are talented or know of someone who would be interested in contributing an item for the program, please call Pat.

MEN - If you are interested in playing basketball, please call Denis Chabot, 921-3779. As soon as enough show an interest, a date for use of the school gym will be set up.

Registration for the demonstration "Microwave Miracles" are now being accepted by Pauline, 921-3625 and June 921-3589. At least 15 must be registered before it can be held. The demonstration will deal with the best type of oven to buy, foods that may be cooked in it and a preparation demonstration. Registration is open to both sexes.

The Brownie Fly-up that was held prior to Christmas was very well attended by parents and friends. Tweenie (pre-Brownie) mothers provided squares to serve with a beverage prepared by the Guides. Brownies Cathie White and Wendy Fenwick flew up to Guides. Numerous earned badges earned by the girls were presented.

A few more registrations are needed for the Babysitter's Safety Course. Although you may have been babysitting for some time, there are numerous things taught in the course that will benefit the sitter and the fact that you have a certificate showing you have earned your certificate goes well with the parent you work for.

FEBRUARY WINTERAMA

February will usher in the Bon Accord Winterama, a month chock full of winter entertainment for young and old alike. Thursday, February 3 will feature school activities and will be followed in the evening by a family dance at the Cave when carnival queen candidates will be introduced. A full program of activities is planned for the month and will appear later in the Gazette.

The course in business practices still needs registrations. Typing skills are required. If interested please call community contacts, June or Pauline.

The Local Association for Brownies and Guides met at the home of Pauline Mansfield on January 11 with a very good turnout of mothers. The association is planning to hold a St. Patrick's Day Tea on March 12 and have planned the Father-Mother-daughter banquet for May 2. On January 21 the Guides will attend winter camp at Sandy Lake. Camp weekend for the Brownies is set for April 15, 16 and 17. The next meeting will be held on February 1st.

Chelsea Village Disco will be held this weekend, January 21.

WILDLIFE BANQUET

The Bon Accord Ladies

Community Club met at the home of Thalia Critchley on January 12. A hall clean-up is planned for Saturday, January 29, starting at 9:30 and EVERYONE, not just club members are urged to turn out and lend a hand. Guest speaker at the meeting was Jim Owen. The club is catering for the Wildlife banquet on February 5 and Jim spoke on the types of wild meats which are to be prepared for the supper. The club was presented with three cook books dealing with the preparation of game by the Fish and Game Association. A new member, Ann Hargreaves was welcomed into the club. The next meeting will be at Lynda Fearnley's on February 9th.

AMBULANCE BENEFIT

A benefit dance, courtesy of the Red Barn Dance Society with music by the Dominoes will be held at the Red Barn on February 25 with net proceeds going to the St. John Ambulance Emergency fund. Tickets are \$18 per couple and include a steak barbecue and the dance. Tickets are available from the Red Barn, the Gazette office in St. Albert and members of the Bon Accord-Gibbons committees for the emergency fund.

The winner of the bingo jackpot consolation was Mrs. Olson and the bonanza was won by Trudie Owen. The jackpot for January 23 is \$475 in 49 numbers.

Bon Accord Mayor resigns

It is with regret that the Village of Bon Accord announces the resignation of Mayor Archie Jenkins. Mr. Jenkins has recently experienced health problems and it was on the advice of his doctor, following a recent stay in hospital, that he tendered his resignation.

He has been connected with Village administration since incorporation of the Village in 1964 and was employed as secretary treasurer from that date until 1973. He was elected councillor at the general election held in October 1974 and served as Mayor of the Village until January 10,

1977. The village would be hard pressed to find anyone more knowledgeable on village matters and there is no question that he will be missed by council, staff and residents. It is sincerely hoped that relief from the pressure of duty will allow him to regain his health to some degree.

In view of the fact that there is a nine month period before the next general election, it is required that the vacant seat on council be filled. A by-election will therefore be held during the latter part of February - exact date to be set at the January 18th meeting of council.

Billboard

JANET WILLIAMS

"MLS MILLION DOLLAR SALES"

Ron Morrill, Manager of Weber, St. Albert Branch is pleased to announce the top salesperson for December and for the year of 1976 is JANET WILLIAMS.

Janet thanks her many satisfied clients and is available at 459-6686, 459-5346.

Her 10 years experience and reputation for hard work and service are well established.

THINKING OF SELLING

Call a professional realtor who will be pleased to evaluate your acreage or farm property, will assist in subdivision possibilities and market your property for you. I am also a Commercial Pilot and I take Aerial photos of your land, which is exposed through M.L.S., giving you every sales advantage to obtain top market value. Call ED BASARABA

When using drugs, always remember:

- *never mix alcohol and other drugs
- * never take drugs prescribed or - recommended for someone else
- *when your doctor gives you a prescription, tell him what other drugs you are taking
- *always read the labels and follow directions exactly.

14 PERRON STREET

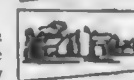

459-7786

A HOME IS TO LOVE

We don't believe in falling for just a shade tree or a little brook. But we feel you should be enthusiastic about the home you buy.

As long as a house is satisfactory to you in other ways, there really SHOULD be something that turns you on -- one particularly charming feature, perhaps, or just a certain feeling.

We'll try hard to find the home you'll be happy in -- a sensible buy with that "icing on the cake" that makes it special.
